1) Loans are available through HouseAmp's licensed lending partners. All loans are subject to approval based on lenders' underwriting criteria. Disbursement of funds within the HouseAmp platform is subject to HouseAmp's [Terms of Use](#). 2) Repayment of the loan, including the outstanding balance, any accrued interest, and fees, is required either upon the sale of the house or at the loan maturity date. For loans with terms longer than 12 months, monthly interest payments will be required starting in month 13.
