*Post producer / H.O.D. credited as Assoc. Producer.

Led post-production teams from prep through final delivery, shaping the creative and technical path of shows in coordination with producers and directors.

Built and managed post schedules, budgets, forecasts, and cost reports in consultation with producers and studio partners.

Supervised editorial, VFX, music, sound, color, graphics, and finishing.

Designed workflows from dailies to offline edit to final master, and delivered IMF, HDR, and other high-spec masters for studios, networks and streamers.

Managed VFX pipelines including 2D and 3D CG virtual environments with fantasy sound design sequences.

Direct technical experience: editing and color in DaVinci Resolve; editing in Avid Media Composer with Nexis and editing in Premiere Pro; VFX in Adobe After Effects.

B.A., English Literature, Le Moyne College, Syracuse, NY.
