# Previewing: @ Finance Malta 2027

A nighttime photograph of a city skyline. The central focus is a tall, illuminated skyscraper with a distinctive spire, likely the Empire State Building. Other buildings of varying heights are visible in the background, some with lit windows. Streetlights and a tram are visible in the foreground, adding to the urban atmosphere. The sky is dark with some clouds.

“The trouble with weather forecasting is  
that it's right too often for us to ignore it  
and wrong too often for us to rely on it
