RAVE 2

Straight Stairlift

MORE COMFORT. LESS SPACE.

This sleek, stylish stair lift has been thoughtfully upgraded to give you even more comfort, safety, and independence when moving up and down your stairs.

Designed for everyday living, the Rave 2 combines a slim-profile footprint with plenty of power and reliable performance. It takes up only about 28 cm when folded — so others still have room to use the stairs. The durable construction and assembly means it's built to last going up and down your stairs.

KEY FEATURES

- **Extended battery life,** up to 60 cycles during power outage
- **Maintenance-free**
- New **fully upholstered** seat back/bottom for maximum comfort
- **Full, spacious seat**
- **Right hand or left hand control** option
- **Retractable seat belt**
- **90° seat swivel** at top of rail for an easy exit
- **Two call/send remote controls**
- Provides **clear walkway** at bottom landing

Homelife Stairlifts

Choose an independent life. Choose Homelife

COMPACT AND BUILT TO LAST

When folded, the lift measures **just over 28 cm**, making it the most compact stairlifts available. That means more open stairway space for family members and guests to comfortably use the stairs when the lift isn't in use without sacrificing safety or performance. The HomeLife Rave 2 is built to last, with tough construction that withstands normal wear-and-tear far better than any other stairlift on the market.

SAFETY FEATURES:

- Built-in safety system that prevents the stairlift from going too fast
- Seat Swivel Interlock
- Obstruction sensors
- Footrest obstruction sensors

WARRANTY:

- 24 months, parts only
- Extended Warranty available
