

Fall Update 2025

johns island building project

Every week, the new Johns Island building hits another construction milestone and we can't wait to open the doors in the Spring of 2026. The walls are in place, the roof is installed, and the cross sits high on the steeple. Your generosity is making a way for generations to come and experience God in community.

In September 2025, we met a \$500,000 match, and we are now **working toward a \$1.6 million match** provided by Seacoast after the sale of land in Mount Pleasant. Completing that match will increase our raised amount to over \$11 million. Our desire is to raise the entire cost of the project, \$14.5 million, and be debt free when we open the doors. This will allow us to direct more of our resources to other ministry opportunities across Seacoast.

"We are accomplishing milestones as we move toward paying for this building. We are so thankful for your generosity that has brought us this far, and we believe there is much more ahead for what God will do through this space AND HIS PEOPLE."

Mac Mood
Johns Island
Campus Pastor

Project Total:
14,500,000

Raised:
\$8,000,000

update

manning building project

Soon, the Manning Campus will open the doors to its new Worship Center. The building is in its final stages of a complete renovation and will soon house weekend worship services, NextGen activities, and local missions opportunities throughout the week.

Join us in praying for the opportunities this space will provide and consider giving toward the renovations to make it possible. **Thanks to a current matching gift of \$500,000, every dollar you give will be doubled.**

“Not only are we excited about what God is going to do on Sunday mornings, but we can’t wait to see how God is going to open up ministry through this building Monday through Saturday. We’re dreaming big dreams on how God is going to utilize this space to make a difference in our community.”

Goal:
\$2,100,000

Raised:
\$897,000

update

greenville building project

Seacoast is praying and searching for a permanent home for the Greenville Campus—one that will host weekend services, weekly small groups, and local missions opportunities.

In the Spring of 2025, a generous matching gift of \$110,000 was given toward the project, and that match was met in just a few months. We're actively exploring building options and thanks to the generosity of our Seacoast family, we're closer than ever to securing a location once the right building becomes available.

"Through large and small gifts, together we are making a big difference and creating a future for this campus."

Ross White
Greenville
Campus Pastor

Goal:
Amount to be determined
as we explore options for a
permanent facility.

Total Raised:
\$609,000

update

point hope campus launch

The Point Hope Campus off Clements Ferry Road will bring a place of worship and connection to a fast-growing area of Charleston. As families move to the area and look for a church home, the Point Hope Campus will be ready to welcome them into a supportive and encouraging environment for any stage of life.

Additionally, the area is home to the second-largest group of people who attend our Mount Pleasant Campus—creating an opportunity to increase capacity in the parking lot and Worship Center at Mount Pleasant.

“As the Point Hope community grows, our heart is to grow along with it, bringing a place of worship and connection to this fast-growing area. The future of the Point Hope Campus will leave an impact on lives, families, and this community for generations!”

John Gilmer
Point Hope
Campus Pastor

the counseling center

In just two years since opening, The Counseling Center of Seacoast has grown to serve nearly 200 clients each week at our Mount Pleasant and Summerville locations. By the end of 2025, we are on track to complete more than 10,000 appointments and serve over 3,000 people. Our Mount Pleasant and Summerville locations are thriving, welcoming nearly 200 clients each week. Looking ahead, we hope to expand into West Ashley and Johns Island within the next year.

Because of your generosity, \$7,000–\$10,000 in scholarship assistance is provided every month, and every dollar goes directly toward making care accessible for those who need it most. Your support ensures that we can continue to help those who need financial assistance, while offering them a place to process their pain and find the freedom God offers.

“Thank you for your ongoing support of the Counseling Center. Together, we are helping people navigate some of the most challenging seasons of their lives. That wouldn’t happen without people like you choosing to make a difference in the lives of people you’ve never met.”

\$110,705

update

the retreat at church creek & pastors collective

The Retreat at Church Creek provides a life-giving refuge for ministry leaders from around the world—pastors who are facing exhaustion, isolation, and the growing mental health crisis within the church. Located on 66 beautiful waterfront acres, this sanctuary offers pastors a place to relax, recharge, and reconnect with like-minded leaders.

Since the Retreat opened in 2021, we have served over 2,729 pastors and leaders from 600 churches with a goal of serving 10,000 pastors and leaders by 2027.

“When I was invited to the Retreat at Church Creek, I was at a point of feeling like I should throw in the towel. God used those days of rest, reflection and relationship to give me a new vision for our church.”

Scholarship Goal:
\$1,800,000
(Serves 1,200 pastors)

Raised: \$605,000

Every fully funded scholarship covers a four-day retreat and four months of personalized After Care, to ensure that the impact extends beyond their time on the property.

seacoast music

Following their recent albums, *Courage and Courage: The Piano Sessions*, Seacoast Music released a new single “Our God Reigns” in July 2025. The powerful anthem of freedom and healing is featured on their latest album, *Listening EP*, released on October 10. Other songs on the album include “The Center,” “Salvation Song,” “Listening,” and a special piano and vocal version of “Just Jesus.”

Written at our Spring 2025 Writing Camp, “**Everywhere**” featuring Naomi Raine is the most-streamed track on Todd Galberth’s new album *Greater*, with over **180,000 Spotify plays** in its first month.

“**Salvation Song**,” recorded and released by Josh Baldwin in September, has now been streamed **nearly 500,000 times** on Spotify.

Our newest project, the *Listening EP*, has been streamed **over 250,000 times in just three weeks** and received our strongest editorial playlisting to date.

From our 2020 *At Home EP*, “**Heart of Worship**” has surpassed **4 million streams**, growing from **4,000 daily streams** in 2020-2024 to **25,000 daily streams today**.

“God has been blessing us with these songwriting camps, and they’ve not only blessed our church and community, but they are also blessing other artists around the world. These songs truly are reaching across the globe.”

bible translation project

Thanks to your generosity, the fundraising goal for the Bible Translation Project has been fully met! Through our partnership with OneHope and Biblica Bible Translators, over 100 million Punjabi-speaking people in the world's most unreached and underserved communities will be able to understand God's Word—no matter their education, religious background, or caste.

“Working alongside Biblica and the Pakistani Bible Society, we’ve insured that Punjabi speakers both in India and Pakistan now have the Bible in a translation that can be understood by everyone across every level of the caste system in South Asia. Thank you, Seacoast, for standing with us in this Kingdom work. Together we’re breaking barriers and opening the door for millions to encounter Jesus for the first time.”
