Cancellation must be made in writing. The date of cancellation shall be the postmark date or the date the written notice is received by the institution.

INSTITUTIONAL CANCELLATION POLICY (BEFORE START DATE)

If cancellation is received prior to the program start date, the following will apply:

- Cancellation received 3 days or more before the start date: the registration fee will be retained.
- The institutional cancellation fee will not exceed \$250.

All cancellations must be submitted in writing to the CEL Admissions and Housing Office.

REFUND POLICY (CANCELLATION AFTER START DATE)

If a student cancels after the start of the program, the institutional cancellation fee will not exceed \$250 if the cancellation occurs within the first class session or the seventh (7th) day after enrollment, whichever is later.

Students may withdraw from a course at any time prior to completing sixty percent (60%) of the scheduled program. Tuition will be refunded on a prorated basis based on the student's last date of attendance. Any portion of a week attended will be considered a full week for the purpose of refund calculations.

The date of withdrawal shall be the last date of recorded attendance or the date written notice is received by the institution, whichever is later.

Refunds will be processed within thirty (30) days.

Fees

Please refer to the attached invoice for all related fees.

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. Effective April 1, 2024, the Student Tuition Recovery Fund (STRF) assessment rate will change from two dollars and fifty cents (\$2.50) per one thousand dollars (\$1,000) of institutional charges to zero dollar (\$0.00) per one thousand dollars (\$1,000) of institutional charges. Institutions will still be required to complete and submit all STRF Assessment Reporting Forms on a quarterly basis and maintain specified student information for STRF-eligible students.

<https://bppe.ca.gov/lawsregs/strf.shtml> (5, CCR Section 76120)

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste. 225 Sacramento, CA 95834, www.bppe.ca.gov, (916) 574-8900 or by fax (916) 263-1897.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau. 9
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but you have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number. Note: Authority cited: Sections 94803, 94877 and 94923, Education Code. Reference: Section 94923, 94924 and 94925, Education Code.

TITLE IV POLICY / NO STUDENT LOANS

CEL students are not eligible for Title IV funding. CEL does not offer student loans or financial aid. If you get a student loan, you are responsible for repaying the loan plus interest, less the amount of any refund.

If the student defaults on a federal or state loan, both of the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If you have received federal student financial aid funds, you are entitled to a refund of money not paid from federal student financial aid program funds.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The College of English Language (CEL) does not award academic credits, degrees, or diplomas. CEL issues a Certificate of Participation upon meeting the requirements outlined in the school catalog.

The acceptance of the Certificate of Participation is at the complete discretion of any institution to which you may seek to transfer. If the certificate is not accepted by the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution.

For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending CEL to determine whether the Certificate of Participation will be recognized.
