On or before the first day at CEL Vancouver, all students must take a placement test. This test determines a student's level of English and which level of classes the student will be placed in. If a student has taken a recognized international English exam, such as IELTS, Cambridge or TOEFL within the last 6 months, these results will be taken into consideration, but do not replace the placement test. In order for the result to be taken into consideration, the test result document must be provided to CEL Vancouver.
