Anglian Water Services UK Parent Co Limited

Strategic Report for the Year Ended 31 March 2026

The Directors present their strategic report for the year ending 31 March 2026.

Review of the business

The Company was incorporated on 5 April 2018. The principal activity of the Company is to hold the shares of Anglian Water Services Limited (AWSL) and it forms part of the group of four companies referred to as the Anglian Water Services Financing Group (“AWSFG”).

The Company is a second holding company in the ring-fenced structure, providing protection for the customers and bond holders of the principal trading company in the group, AWSL, from risks associated with other non-regulated Anglian Water Group (the “Group”) companies outside of the ring-fence.

Other than receiving and paying dividends, the company does not trade and therefore the Directors are of the opinion that key performance indicators are not relevant for an understanding of the Company’s performance. A dividend of £75.0 million was received in the year to 31 March 2026 (2025: £88.6 million) from its subsidiary undertaking, AWSL, and a dividend of £75.0 million was paid (2025: £88.6 million) to its immediate parent, Anglian Water Services Holdings Limited.

The Directors expect the activities of the Company to continue in the foreseeable future without material change.

Section 172 Statement

Section 172 of the Companies Act 2006 requires the Directors to act in the way they consider, in good faith, would most likely promote the success of the company for the benefit of its members as a whole. Companies are required to report how the Board has had regard to the matters set out in section 172.

As a holding company within AWSFG, the day to day operation of the business is managed by employees of AWSL. Due to this relationship, the Company’s values and reputation are highly integrated with those of AWSL and therefore interested parties are referred to the relevant disclosures within AWSL’s consolidated group annual report and financial statements.

The Company does not trade and has no employees, customers or suppliers. The Company’s stakeholders are therefore considered to be limited to other group companies with which there are intercompany relationships.

Principal decisions made by the Board

Approval of annual financial statements

Annually the Board approves the Company’s financial statements. The Board is engaged on any key issues impacting the Company throughout the year and gives them appropriate time and consideration.

To give support to the Directors and enable them to discharge their duties, all new Directors receive a thorough induction programme on appointment which includes receiving a full background information pack and briefings from executive Directors and senior managers.

The Company offers the Directors in-house training as necessary to aid their professional development and awareness of business and sector-specific issues. In addition, the Company offers to fund participation on externally provided training courses. All Directors are entitled to receive, at the Company’s expense, independent professional advice on any matters relating to their responsibilities as a Director.

Anglian Water Services UK Parent Co Limited

Strategic Report for the Year Ended 31 March 2026

Principal risks and uncertainties

The Company, as part of the Anglian Water Financing Group of companies, guarantees unconditionally and irrevocably the external borrowings and related external derivative obligations of Anglian Water Services Financing Plc, which at 31 March 2026 amounted to £9,948.4 million (2025: £9,595.3million). In addition, there is a fixed charge over the issued share capital of the Company in respect of these borrowings. Debt raising fees are paid by AWSL and capitalised against the borrowings in AWSL.

From the perspective of the Company, principal risks and uncertainties are integrated with the principal risks and uncertainties of the AWSFG, which are discussed in the AWSL consolidated group annual report and financial statements.

Approved and authorised by the Board on 9 June 2026 and signed on its behalf by:

.....
Celia Gough
Company Secretary

Anglian Water Services UK Parent Co Limited

Directors' Report for the Year Ended 31 March 2026

The Directors present their report and the financial statements for the year ended 31 March 2026.

Directors of the Company

The Directors who held office during the year and up to the date of signing the financial statements unless otherwise stated, were as follows:

Anthony Bickerstaff (appointed 3 June 2025)

Michael Bradley

Ian Funnell

Mark Thurston

Fraser Campbell

Andrew Hodson

Paul Phillips-Davies

Rosalind Rivaz

Kathryn Durrant

Zarin Patel (resigned 30 October 2025)

Dividends received

Dividends of £75.0 million were received during the year to 31 March 2026 (2025: £88.6 million).

Dividends paid

Dividends of £75.0 million were paid during the year to 31 March 2026 (2025: £88.6 million).

Post balance sheet events

Refer to note 12 for details of post balance sheet events.

Directors' liabilities

The Company maintains Directors' and Officers' liability insurance which gives appropriate cover for legal action brought against its Directors. The Company has also provided an indemnity for its Directors, which is a qualifying third-party indemnity provision for the purpose of section 234 ((2) - (6)) of the Companies Act 2006. This was in force for the full period and up to the date of signing. The qualifying third-party indemnity provision also applies to Directors of the Company's parent undertaking, subsidiary undertakings and fellow subsidiary undertakings.

Financial risk management policies and objectives

Objectives and policies

The Company's financial risk management activities are undertaken as part of the Anglian Water Services Financing Group (AWSFG). Accordingly, the Company is exposed to financial risks including liquidity risk and interest rate risk, which are managed centrally by AWSFG in accordance with its group treasury policies. These policies are designed to ensure that funding and financial risks are appropriately managed across the group. Further detail on these policies is set out in the consolidated financial statements of Anglian Water Services Limited.

Future developments

The Directors expect the activities as detailed in the Strategic Report to continue for the foreseeable future without material change.

Anglian Water Services UK Parent Co Limited

Directors' Report for the Year Ended 31 March 2026

Carbon reporting

The Company has a very limited direct impact on the environment and is not a significant producer of greenhouse gas emissions. The Company consumed less than 40,000 kilowatt hours of energy in the financial year and is therefore exempt from the new streamlined energy and carbon reporting disclosure requirements.

Disclosure of information to the auditor

Each of the persons who is a Director at the date of approval of this report confirms that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Director has taken all the steps that he/she ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Going concern

The Directors believe, after due and careful enquiry, that the Company has sufficient resources to continue in operational existence for at least one year after the financial statements were authorised for issue and, therefore, consider it appropriate to adopt the going concern basis in preparing the 2026 financial statements. In making this statement, the Directors have considered that the Company has no liabilities, has significant assets and pays out dividends only when dividends are received from subsidiary undertakings.

As the Company does not operate separately to the AWSFG, the Directors have undertaken a detailed review of the ability of the Group to meet its liabilities as they fall due for a period of at least 12 months from the date on which these financial statements are approved. This review assessed the liquidity requirements of the Group compared against the cash and facilities available to the Group as detailed below.

Given the relative size and importance of AWSL to the Group, the assessment initially focused on the going concern of AWSL and was then updated to include wider Group considerations.

In assessing the appropriateness of the going concern basis of accounting, the Directors have reviewed the resources available to the Group in the form of cash and committed bank facilities headroom, which stands at £1.8bn as at 31 March 2026. As a result, the group has sufficient liquidity to meet its operational needs in the 12 months post signing.

Whilst management note an on-going requirement to raise debt given the business model, management believe the business has sufficient access to capital markets and therefore they do not believe there to be a need to extend the period any further than 12 months.

The base forecast, which has been updated for the latest internal and external information has been subjected to a range of severe but plausible downside scenarios aligned to the risks facing the business.

In assessing Going Concern the Directors have considered a number of perspectives, including liquidity and debt covenants and tested these against both the base scenario and the downside scenarios.

The Directors are satisfied that the Group will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements, even under the severe but plausible downside scenarios considered.

For these reasons, the Directors believe it appropriate to continue to adopt the going concern basis in preparing the financial statements.

Anglian Water Services UK Parent Co Limited
Directors' Report for the Year Ended 31 March 2026

Appointment of auditors

Deloitte LLP have indicated their willingness to continue in office and a resolution that they be reappointed will be proposed to the Board.

Approved by the Board on 9 June 2026 and signed on its behalf by:

Celia Gough
Company Secretary

Anglian Water Services UK Parent Co Limited

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland”. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Anglian Water Services UK Parent Co Limited

Independent auditor's report to the members of Anglian Water Services UK Parent Co Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Anglian Water Services UK Parent Co Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2026 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account;
- the balance sheet;
- the statement of changes in equity;
- the related notes 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our evaluation of the Directors' assessment of the company's ability to continue to adopt the going concern basis of accounting included:

- understanding the Company's position in the Anglian Water Services Financing Group "AWSFG" structure including the ability of the Directors to assess the going concern position of AWSFG;
- obtained an understanding of the relevant controls over the cashflow forecasting and going concern assessment;
- understood the group's process to model the impact of going concern and agreed relevant data points in the model to supporting documentation;
- understood and challenged the sufficiency of the period the Directors' have assessed for the purposes of going concern and whether that was appropriate;
- assessed the sophistication of the model used to prepare the forecasts, by testing the clerical accuracy of those forecasts and assessing the historical accuracy of forecasts prepared by the group;
- evaluated underlying agreements for new debts and revolving credit facilities raised during the year to verify terms are consistent with managements forecasts;
- evaluated liquidity, including the ability of the group to raise future financing;

- recalculated and assessed the amount of headroom in the forecasts (liquidity and covenants) and recalculated compliance with covenants during the year ended 31 March 2026 and throughout the going concern assessment period;
- challenged the sensitivity analysis including downside risks prepared by the group in the context of operational performance challenges, increased spend on capital projects, cyber risk and the broader socio-economic conditions; and
- assessed the appropriateness of the disclosures in the financial statements.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the company's industry and its control environment and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management and the Directors about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. This included: UK Companies Act, tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists such as tax and IT regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management, and internal audit concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance and reviewing internal audit reports.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the Directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest

extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Anglian Water Services UK Parent Co Limited

Notes to the Financial Statements for the Year Ended 31 March 2026

1 General information

The Company is a private company limited by share capital, incorporated and domiciled in England and Wales.

The address of its registered office is:

Lancaster House
Lancaster Way
Ermine Business Park
Huntingdon
Cambridgeshire
PE29 6XU
England

These financial statements were authorised for issue by the Board on 9 June 2026.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements is set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

These financial statements have been prepared in accordance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, ‘‘The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland’’ (‘‘FRS 102’’) and the Companies Act 2006.

These financial statements are prepared in accordance with the historical cost convention and have been prepared on the going concern basis as noted the Director’s Report on page 5.

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the group and company accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

Exemption from preparing group financial statements

The financial statements contain information about Anglian Water Services UK Parent Co Limited as an individual company and do not contain consolidated financial information as the parent of a group.

The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent, Osprey Acquisitions Limited, a company incorporated in England.

Disclosure exemption

FRS 102 allows a ‘qualifying entity’ certain disclosure exemptions. The Company is a qualifying entity for the purposes of FRS 102. FRS 102, section 7 (Statement of cash flows) exemption has been applied in the preparation of these financial statements, in accordance with FRS 102.

Changes in accounting policy

None of the standards, interpretations and amendments effective for the first time from 1 April 2025 have had a material effect on the financial statements.

Anglian Water Services UK Parent Co Limited

Notes to the Financial Statements for the Year Ended 31 March 2026

Dividend income

Dividend income is recognised when the right to receive payment is established.

Dividend payments are recognised in the period in which they are paid or when the Company has a constructive or legal commitment to pay the dividend.

Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in 'Pounds Sterling' (£), which is also the Company's functional currency.

Investment in subsidiaries

Investments in subsidiaries are held at cost less accumulated impairment losses.

Impairment

At each balance sheet date, the Company reviews the carrying amounts of its investments to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any).

If the recoverable amount is estimated to be less than its carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Taxation

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in the countries where the Company operates and generates taxable income.

Capital management

The Company's objectives when managing capital is to safeguard the Company's ability to continue as a going concern and continue to pay dividends. The Company's capital is represented by its share capital as detailed in note 10.

3 Critical accounting judgements or key sources of estimation uncertainty

No critical accounting judgements or key sources of estimation uncertainty were required in the preparation of these financial statements.

4 Employee information and Directors' remuneration

The Directors received no remuneration for the services to the Company (2025: £nil). The Directors are remunerated through another group company and no recharges are made.

There were no employees in the Company during this year or previous financial year.

5 Income from shares in group undertakings

Income from shares in group undertakings relates to dividends received from subsidiary undertakings.

Anglian Water Services UK Parent Co Limited

Notes to the Financial Statements for the Year Ended 31 March 2026

6 Auditors' remuneration

The remuneration for the audit of the Company financial statements of £4,800 (2025: £4,650) is borne by Anglian Water Services Limited and not recharged to the company.

7 Taxation

The Company has applied the mandatory exception under IAS 12 in respect of the recognition and disclosure of deferred tax assets and liabilities related to Pillar Two income taxes. Accordingly, the Company neither recognises nor discloses information about deferred tax assets and liabilities related to Pillar Two income taxes.

Tax charged/(credited) to the income statement

	2026	2025
	£ 000	£ 000
Current taxation		
UK corporation tax	-	-

It has been agreed that companies within the Anglian Water Services Financing Group (AWSFG) will not pay each other for tax losses. As the Company has no deferred tax balances this has had no impact. The nil tax charge on the Company's profit before tax differs from the notional amount calculated by applying the UK corporation tax rate of 25 per cent (2025: 25 per cent) to the profit before tax as follows:

	2026	2025
	£ 000	£ 000
Profit before tax	75,000	88,600
Corporation tax at standard rate	18,750	22,150
Dividends receivable not being taxable	(18,750)	(22,150)
Total tax credit	-	-

8 Dividends

	2026	2025
	£ 000	£ 000
Dividends distributed		
Previous year final dividend of £0.233 (2025: £0.275) per ordinary share	75,000	88,600

The Company is an intermediate holding company in the AWSFG. All dividends received were from the Company's subsidiary, AWSL, and were equal to the dividends paid by the Company.

A dividend was paid in the year ended 31 March 2026 of £0.233 per ordinary share, which is a total of £75.0 million.

Anglian Water Services UK Parent Co Limited

Notes to the Financial Statements for the Year Ended 31 March 2026

9 Investments

Subsidiaries	£ 000
Cost or valuation	
At 1 April 2025	<u>1,487,000</u>
Additions during the year	<u>170,000</u>
At 31 March 2026	<u>1,657,000</u>
Carrying amount	
At 1 April 2025	<u>1,487,000</u>
At 31 March 2026	<u>1,657,000</u>

In the year to 31 March 2026, the company purchased 1 newly issued £1 shares in Anglian Water Services Limited (AWSL) at a premium of £170 million. The total consideration of £170 million has been recognised as an investment in AWSL.

On the same day, the company issued 1 £1 ordinary share to Anglian Water Services Holdings Limited (AWSH) for total cash consideration of £170 million. The proceeds have been recognised within equity as share capital of £1 and share premium of £169,999,999.

The investment represents 100 per cent of the ordinary share capital of AWSL, whose principal activity is the provision of drinking water and the treatment of waste water. AWSL in turn holds 100 per cent of the ordinary shares in Anglian Water Services Financing Plc (“AWSF”) whose principal activity is the raising of listed debt to on-lend AWSL. AWSL and AWSF are incorporated in England and Wales, the registered office of: Lancaster House, Lancaster Way, Ermine Business Park, Huntingdon, Cambridgeshire, PE29 6XU.

10 Share capital

Allotted, called up and fully paid ordinary shares of £1 each	£
At 1 April 2025	322,000,003
Shares issued	1
At 31 March 2026	<u>322,000,004</u>

Within the £170m equity injection, share capital is recognised at the nominal value of shares issued, with the residual amount recognised as share premium. The transaction has no effect on any company’s distributable reserves.

Anglian Water Services UK Parent Co Limited

Notes to the Financial Statements for the Year Ended 31 March 2026

11 Parent and ultimate parent undertaking

The Company's immediate parent undertaking is Anglian Water Services Holdings Limited, a company registered in England and Wales.
