

# TOTAL TACTILES

## Product

Commercial Entrance Mats (Code: TT-EM)

## About:

Designed to improve safety, cleanliness, and presentation of building entrances. This entrance matting system effectively traps dirt and moisture at the door, reducing slip hazards and protecting internal flooring. Built for durability in high-traffic areas, it provides a professional finish that enhances the overall look of any entryway.

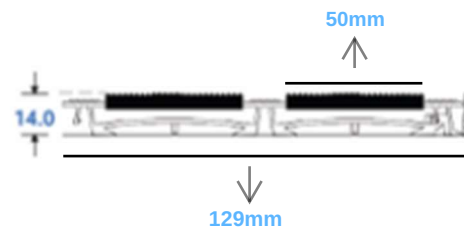

## Specifications:

Flammability: CHF 3.5, Smoke Value 391

Slip Rating: P5

Thickness: 14 mm

Custom Sizing Available

## Finishes:

Code: TT-EM01 [Carpet Insert]

Code: TT-EM-02 [Ribbed Polyurethane Insert]
