## MARKING GUIDELINES

Time: 3 hours

100 marks

These marking guidelines are prepared for use by examiners and sub-examiners, all of whom are required to attend a standardisation meeting to ensure that the guidelines are consistently interpreted and applied in the marking of candidates' scripts.

The IEB will not enter into any discussions or correspondence about any marking guidelines. It is acknowledged that there may be different views about some matters of emphasis or detail in the guidelines. It is also recognised that, without the benefit of attendance at a standardisation meeting, there may be different interpretations of the application of the marking guidelines.

## ASSESSMENT RUBRIC: SHAKESPEARE AND NOVEL LITERATURE ESSAY (30 MARKS)

- Mind map may be used by candidate in planning, but **no marks** are awarded for planning.
- Length of response: **approximately 600 words** in length. This is a suggested length as the cohesiveness and development of the essay will take precedence over the length. There is **no penalty** for length other than the development of the argument in the essay itself.
- A word count at the end of the essay is NOT required.
- The rubric is not a check-list (tick-box) but should be considered as a guide when evaluating the Literary Essay.
- Half marks may be awarded.

## ASSESSMENT RUBRIC: TRANSACTIONAL WRITING (20 MARKS = 10 + 10)

- This rubric serves to guide the marking process.
- Markers should be aware that the mark for the PURPOSE AND CONTENT element need not correspond with the mark for LANGUAGE AND REGISTER. A candidate may, for example, achieve a level 7 for PURPOSE AND CONTENT, and a level 5 for LANGUAGE AND REGISTER. (7 + 5 = 12)
- An approximate length of **250 words** is a recommended guide but is not prescriptive. Candidates should be encouraged to write a text that is fully developed to meet the requirements of the assessment rubric.
- Candidates need **NOT** write a word count at the end of their writing.
- Half marks may be awarded.
