# DUNGOWAN

— BREWERY —

## Start planning your dream wedding at Dungowan Brewery.

Whether you're captivated by rustic elegance or enchanted by timeless charm, Dungowan Brewery, a converted woolshed, is the perfect place to marry your best friend. Enjoy cocktails, champagne and canapes on our top lawn and balcony before making your way into our brewery for your reception.

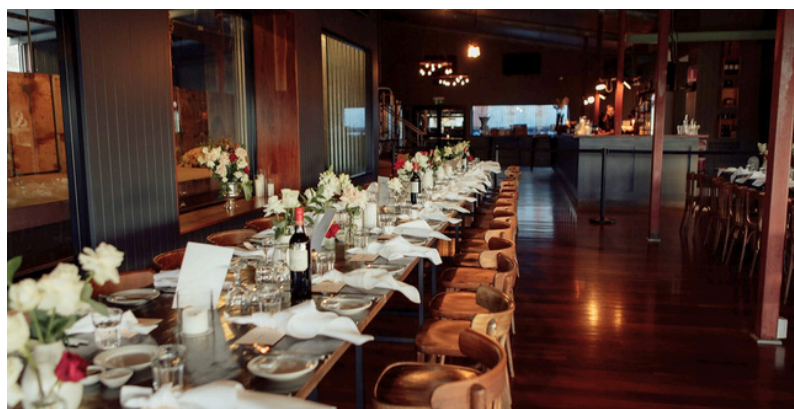

Inside, we can seat **180 people**, with an additional **120 people** on the deck. The venue's natural wood panels, corrugated iron and country furnishings lend themselves perfectly to a traditional rustic or farmhouse colour palette for your dream day.

Talk to our team about your ceremony options today, whether it be in our Dungowan Station Chapel or the scenic grassed area adjacent to the brewery.

Packages for ceremony only are available, as well as packages just for photography, or we can host the lot.

Your wish is our command.
