

US Patents (Last Updated: 14th September 2026)

Ocado products are protected by patents and other intellectual property rights.

This webpage is provided to comply with the U.S. patent marking statute (35 U.S.C. §287). The following list associates Ocado's indicated products with Ocado's corresponding U.S. patents and is intended to provide notice to the public under the virtual marking provisions of 35 U.S.C. §287. The following list of products and patents may not be comprehensive. For example, some products listed here may be protected by patents that are not listed, and other products not listed here may be protected by one or more patents. The absence of a product or a patent number from this list does not constitute a waiver of Ocado's patent or other intellectual property rights concerning that product or patent.

Ocado Smart Platform (OSP) / Ocado Intelligent Automation (OIA)
