

Holiday Gift Guide

We work with recyclers all year long, so it's only right that our holiday gift list celebrates recycled materials too. From fire-hose flags to blankets made from bottles, these are gifts that prove sustainability never goes out of style.

Geometry House

Recycled Towels & Napkins made from post-consumer plastic bottles, Geometry towels are ultra-absorbent, quick-drying, and genuinely aesthetic.

Gift Idea & [Pine X-Mas Tea Towel](#)

Perfect for: coworkers, dispatchers, or that "clean freak" in the office.

Rumpl

Built from 100 % recycled post-consumer materials, Rumpl blankets are as durable as they are cozy.

Gift Idea & [Fleece Puffy Blanket](#)

Perfect for: your cold-office coworker or the driver who always forgets a jacket.

Rothy's

Rothy's 3D-knit shoes are made from recycled plastic bottles, machine-washable, and endlessly wearable.

Gift Idea & [Rothy's Gift Card](#)

Perfect for: the stylish office crew or the guy in accounting who refuses to buy new shoes.

Recycled Firefighter

Handcrafted from decommissioned fire hose, this American flag is equal parts art and tribute, honoring the hard work, resilience, and service behind every hose it's built from.

Gift Idea & [American Flag Fire Hose](#)

Perfect for: shop walls, offices, or anyone who appreciates craftsmanship, patriotism, and purpose.

Rareform

Each bag is one-of-a-kind, crafted from retired billboards that once lined highways.

Gift Idea & [Zippered Blake Tote](#)

Perfect for: the marketing team, designers, or anyone who loves color and character.

Pela

Made from biodegradable and recycled materials, Pela cases protect phones - and the planet.

Gift Idea & [Pela Gift Card](#)

Perfect for: literally anyone with a phone and butterfingers.

Girlfriend Collective

Made from recycled bottles and fishing nets, Girlfriend's activewear looks good on everyone and fits every body.

Gift Idea & [E-Gift Card](#)

Perfect for: your "new year, new me" coworker who's actually serious this time.

United By Blue

United By Blue removes a pound of trash from oceans and waterways for every product purchased. Their bags and drinkware use recycled nylon and salvaged plastics.

Gift Idea & [Insulated Steel Bottle](#)

Perfect for: the traveler, the yard manager on the go, or anyone who keeps a reusable cup within arm's reach.

Recycled Materials Association

For the recycler who's seen it all, send them to the industry's biggest stage with a VIP Convention Ticket for ReMA2026. (and yes we're giving one away)

Gift Idea & [VIP Convention Ticket](#)

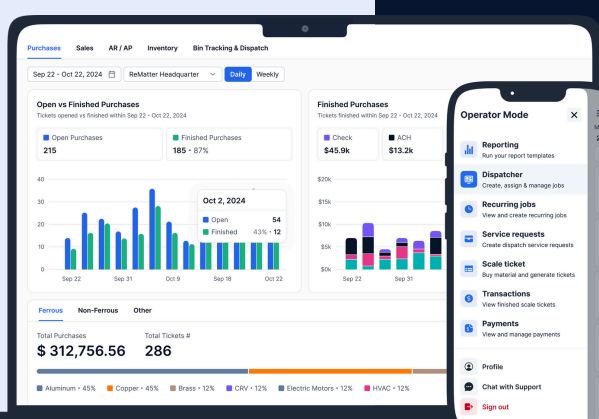

Perfect for: industry pros ready to connect, learn, and celebrate what recycling really means.

ReMatter

Because the best gifts don't go under the tree, they keep your yard running smoother all year long.

Gift Idea & [ReMatter Scrap Software](#)

Perfect for: recyclers, dispatchers, and operators who want to spend less time chasing chaos and more time growing their business.

Whether you're shopping for your crew, your customers, or yourself, these brands prove that recycling doesn't end at the yard gate. And this holiday season, we're celebrating you - the people who keep this industry moving.

Enter once and you're in for all 10 giveaways. Each day, you'll have a chance to win one of these recycled gift ideas, including the grand prize: \$500 off your next ReMatter bill or onboarding credit.

Not a ReMatter customer yet? No problem. Book a demo below or simply enter the giveaway to join the fun.
