## ABOUT US

Copper River Supply LLC is a Native American- and Woman-Owned Small Business specializing in **office, facility, and janitorial supplies**, with a growing **Dental & Medical Supplies** branch. We provide cost-effective, compliant, and timely procurement tailored to federal, state, and Tribal agencies — including reservation and Tribal sites far from major distribution hubs. As a verifiable Indian Economic Enterprise with direct wholesaler relationships, we deliver fast fulfillment and competitive pricing to mission-critical buyers.

## CORE COMPETENCIES

- ▶ **Office Supplies & Equipment** — bulk procurement, fast fulfillment, competitive pricing
- ▶ **Dental & Medical Supplies** — clinical consumables (expanding branch)
- ▶ **Printing & Stationery** — paper products, ink & toner, writing instruments
- ▶ **Janitorial & Facility Supplies** — cleaning equipment, compounds, paper goods
- ▶ **Procurement & Logistics** — FAR-compliant sourcing, just-in-time delivery, account management

## DIFFERENTIATORS

- ▶ **Direct wholesaler access.** A direct account with **Essendant** and other key retailers gives us stock depth and pricing typically reserved for large distributors.
- ▶ **Reach to remote Tribal lands.** We deliver to reservation and Tribal sites that sit far from major distribution hubs — locations many suppliers won't service — keeping rural agency operations stocked.
- ▶ **Office-supply specialists.** Deep focus on office, facility, and janitorial supply — now extending the same sourcing discipline into a growing dental & medical line.
- ▶ **Easy ordering, plus custom sourcing.** Order directly through our wholesaler website, or work with us on customized orders — including special-order items beyond our standard catalog.
