

25.11.24

Year 4- Weekly Topic Project - Science

This week you are going to be using the animals you drew last week during your Art project and create fact files for each animal.

Here are some things you might like to include in your fact file:

Animal Facts

Height/Size: _____
Weight: _____
Colour: _____
It has fur/feathers/skin: _____
What it eats: _____
Where it lives: _____
Predators: _____
Lifespan: _____

This animal is a: ☐ Amphibian ☐ Bird ☐ Fish ☐ Insect ☐ Mammal ☐ Reptile

Three interesting facts about my animal:

1.	2.	3.
----	----	----

You also might like to include details about their:

- @ Diet
- @ Habitat
- @ Growth and development (e.g. are the young born alive or in eggs etc.)
