

Revolutionizing Payment Integrity for Brokers

ClaimInsight: Helping Brokers Deliver Smarter,
More Efficient Self-Funded Plans

A Smarter Approach to Payment Integrity

ClaimInsight isn't just another claims editing tool—it's a game-changer in payment integrity that helps brokers secure the best possible outcomes for their self-funded clients.

ClaimInsight is the next-gen payment integrity platform that combines physician-led expertise, cutting-edge automation, and seamless integration to ensure every dollar is accounted for. No guesswork. Just real results.

Key Features Brokers Can Offer Their Clients

Intelligent Policy Update (IPU)

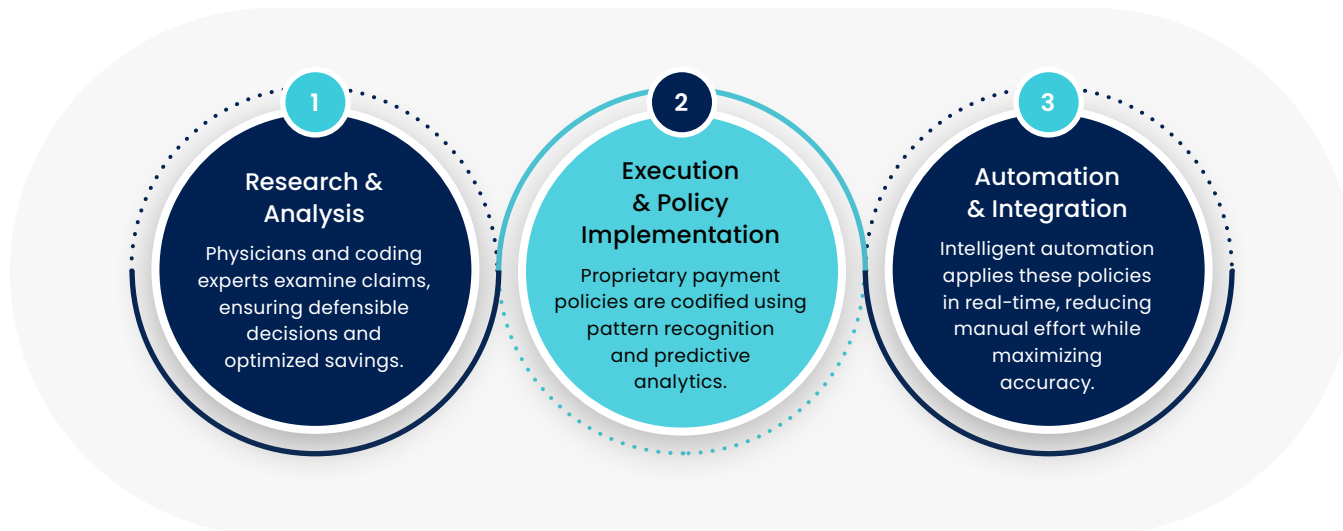

- Automates payment policy rules to reduce medical spend without high contingency fees.
- Features an extensive editing library that outperforms competitors by identifying more claim errors.

High-Dollar Review (HDR)

- Physician-led, line-by-line audits to catch overcharges, modifier misuse, and billing errors.
- Customizable thresholds (as low as \$25K) to fit your needs.

HOW IT WORKS

ClaimInsight seamlessly integrates into your clients' claims systems, proactively identifying and correcting errors before payments are made. This powerful solution is built on three key components:

With ClaimInsight, brokers can offer their self-funded clients a smarter, scalable approach to claims editing that reduces financial risk and administrative complexity, ensuring greater accuracy and cost savings.
