

The Spike Jorgensen SCHOLARSHIP

UP TO \$4,000

FOR YOUR COLLEGE OR CAREER EDUCATION

The Coalition for Education Equity offers two new Spike Jorgensen Scholarships each year. Scholarships are \$1,000 per year, renewable for up to four years total.

Scholarships are awarded based on a short personal essay and letters of recommendation – not on GPA – and can be used at any in-state or out-of-state college or trade school.

The scholarship honors Dr. Spike Jorgensen, who fought for many years to improve facilities and school programs in rural Alaska as a founder and executive director of CEE (formerly CEAAC).

DEADLINE: March 27, 2026
