Potential Bidders should satisfy themselves as to the condition of any lot prior to bidding.

ENHANCEMENT

Potential bidders should be aware that many coloured gems have been historically treated by a variety of methods to improve their appearance, both in terms of colour and transparency. Rubies and sapphires are routinely heat treated, emeralds are enhanced through the use of coloured and transparent oils and resins, and jadeite is routinely stained. These treatments, and others including irradiation and coating, are generally accepted by the jewellery trade as standard practice. Although most treatments are considered to be permanent, those gemstones which have been oiled may need to be re-treated to maintain their appearance. Any such treatments affect the market value of coloured gemstones, and Parker Fine Art Auctions pre-sale estimates published in the catalogue assume that all gemstones, unless otherwise stated in the catalogue, may have been enhanced. Parker Fine Art Auctions may obtain Gemmological Reports from a recognised laboratory where appropriate detailing any enhancements, or lack of, for certain gemstones, and such reports may be obtained for Potential Bidders prior to the sale, provided such requests are made at least three weeks before the sale, and that the requesting party has prepaid for such a report. However it is not possible for Parker Fine Art Auctions to obtain reports for every stone offered in the sale.

In the absence of a gemmological laboratory report, it is not possible for Parker Fine Art Auctions to make any comment on the possibility that any gemstone in any lot may have been subject to enhancement.

WEIGHTS

All gram weights have been obtained using an electronic balance, but weights stated in the catalogue are approximate and for guidance only, and potential bidders should satisfy themselves as to their accuracy.

‘...approximately 1.20 carats total,...’ all such stone weights are estimated using standard equipment and formulae, and are subject to the limitations imposed by the mount.

‘...weighing 1.20 carats,...’ where the description reads as such, the stones in question have been removed from the mount and weighted using an electronic balance.

IMPORTANT NOTICES FOR WATCH BUYERS

All Lots are sold as seen, and the absence of any reference to the condition of a watch does not imply the lot is in good condition and without defects, repairs or restorations. Most watches have been repaired in the course of their normal lifetime and may now incorporate parts not original to them. We do not undertake any inspection of any watches prior to any Sale. We make no representation or warranty that any watch is in working order. As watches often contain fine and complex mechanisms, Potential Bidders should be aware that a general service, change of battery or further repair work, for which they are solely responsible, may be necessary.

DAMAGE, RESTORATION, ALTERATION

Although every effort is made to note any damage, restoration or alterations, the absence of any such information in catalogue descriptions does not imply the lot is in perfect condition and free from any such defects. Potential Bidders should satisfy themselves as to the condition of any lot prior to bidding. All watches are serviced from time to time, and Parker Fine Art Auctions are unable to guarantee that the working parts of any watch movement, glass or crystal, winding crowns, watch bracelet, strap or buckle are the manufacturers’ original parts, unless otherwise stated in the catalogue description. We are unable to make any representation in our catalogue descriptions or condition reports as to the authenticity of such parts. Parker Fine Art Auctions are unable to make any representation, nor make any comment on, the authenticity of diamonds, or other gemstones, set into watch dials, bezels, cases and bracelets.

AUTHENTICATION

All watch movements have been inspected by Parker Fine Art Auctions’ specialists, and we have verified all inventory and movement numbers. For the information of Potential Bidders, all inventory and movement numbers are listed in the catalogue description for the relevant lot.

IMPORT/EXPORT RESTRICTIONS

There may be Import Restrictions into some territories outside the United Kingdom placed on certain watch brands, or on the importation of watches with straps composed of animal skins which may fall under CITES Regulations. It is the sole responsibility of the buyer to comply with all Export/Import regulations and potential bidders are strongly recommended to check with their shipping agent as to any such regulations that may apply to any lot. Parker Fine Art Auctions are not shippers and are unable to offer any advice regarding such regulations.

CONDITION REPORTS

Parker Fine Art Auctions condition reports will identify whether a watch functions at the time of cataloguing, and suggest possible, but not comprehensive, restoration work that may need to be carried out for the watch to function properly. Parker Fine Art Auctions are unable to test watches for accuracy or running to time, and we cannot guarantee that any watch will function when purchased from us.

As we have examined all watch movements by removing the case backs, we cannot guarantee that water resistant watches will remain water resistant following purchase from us. Parker Fine Art Auctions recommend that any watch purchased from us is subsequently overhauled by a competent watchmaker to ensure proper functioning.

Accordingly neither the auctioneer nor our employees or agents shall incur liability for death or personal injury or for the safety of the property of persons visiting prior to or at a sale (except in each case as may be required by law by reason of our negligence)
- 11. COMMISSION BIDS**
- 11.1 Whilst prospective buyers are strongly advised to attend the auction and are always responsible for any decision to bid for a particular Lot and shall be assumed to have carefully inspected and satisfied themselves as to its condition and authenticity, we will if so instructed clearly and in writing execute bids on their behalf. Neither the auctioneer nor our employees or agents shall be responsible for any failure to do so.
- 11.2 Where two or more commission bids at the same level are recorded we reserve the right in our absolute discretion to prefer the first bid so made.
- 12. WARRANTY OF TITLE AND AVAILABILITY**
- 12.1 The Seller warrants to the auctioneer and you that the Seller is the true owner of the property consigned or is properly authorised by the true owner to consign for sale and is able to transfer good and marketable title to the property free from any third party claims.
- 12.2 We are acting as the agent of the Seller only and give no warranty as to the Seller's title to the Lot.
- 12.3 Save as expressly set out above, all other warranties, conditions or other terms which might have effect between the Seller and you, or us and you, or be implied or incorporated by statute, common law or otherwise are excluded to the fullest extent permitted by law.
- 13. TERMS OF SALE**
- The Seller and the Buyer acknowledge that Lots are sold subject to the stipulations of these Conditions (including the Information For Buyers) in their entirety and on the Terms of Consignment as notified to the Seller at the time of the entry of the Lot.
- 14. DESCRIPTIONS AND CONDITION**
- 14.1 Whilst we seek to describe Lots accurately, it may be impractical for us to carry out exhaustive due diligence on each Lot. Bidders are given ample opportunities to view and inspect before any sale and they (and any independent experts on their behalf) must satisfy themselves as to the accuracy of any description applied to a Lot. Bidders also bid on the understanding that, inevitably, representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price involve matters of opinion. We undertake that any such opinion shall be honestly and reasonably held and accept liability for opinions given negligently or fraudulently.
- 14.2 Subject to the foregoing neither we the auctioneer nor our employees or agents nor the Seller accept liability for the correctness of such opinions and all conditions, attributions and warranties, whether relating to description, condition or quality of lots, express, implied or statutory, are hereby excluded.
- 14.3 We are not liable for damage to gilded picture frames, plaster picture frames or picture frame glass. If the Lot is, or becomes dangerous, we may dispose of it without notice to you in advance in any manner we see fit and will be under no liability for doing so. We shall not be liable for any damage to any Lot arising during the viewing, during the sale, or after the sale.
- 14.4 We act as agents only. Each Prospective Buyer by making a bid for a Lot acknowledges that they have satisfied themselves fully as to the attribution and condition of the Lot. Pictures have not been removed from their frames unless specifically mentioned in the Condition Report (as in the event the item is unsold it must be returned to the Seller in the condition it was received by us). This Condition is subject to deliberate forgeries (clause 17).
- 14.5 Private treaty sales made under these Conditions are deemed to be sales by auction for purposes of consumer legislation.
- 15. TRANSFER OF RISK.**
- 15.1 The risk in the Lot shall pass to the Buyer upon completion of the Sale by the Auctioneer.
- 15.2 We are not responsible for the correct description, genuineness or authenticity of any Lot as per these Conditions. The Buyer is deemed to have inspected each Lot and satisfied himself/herself to the condition.
- 16. OWNERSHIP OF THE LOT**
- Title to the Lot purchased will not pass to the Buyer until the Buyer has paid us in full and cleared funds the total amount due pursuant to these Conditions and we have applied such payment to the Lot.
- 17. FORGERIES**
- 17.1 Notwithstanding the preceding Condition, any Lot which proves to be a deliberate forgery (as defined) may be returned to us by you within 21 days of the auction provided it is in the same condition as when bought, and is accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If we are satisfied from the evidence presented that the Lot is a deliberate forgery we shall refund the money paid by you for the Lot including any buyer's premium unless:
- (a) the catalogue description reflected the accepted view of scholars and experts as at the date of sale; or
 - (b) you personally are not able to transfer a good and marketable title to us,
- and in the event of clause 17.1 (a) or 17.1 (b) applying you shall have no rights under this condition.
- 17.2 The right of return provided by this clause 17 is additional to any right or remedy provided by law or by these Conditions.

- 19.2 Any right to compensation for losses liabilities and expenses incurred in respect of and as a result of any breach of these Conditions and any exclusions provided by them shall be available to the Seller and/or the Auctioneer as appropriate.
- 19.3 Such rights and exclusions shall extend to and be deemed to be for the benefit of employees and agents of the Seller and/or the auctioneer who may themselves enforce them.
- 19.4 Special terms may be used in catalogue descriptions of particular classes of items in which case the descriptions must be interpreted in accordance with any glossary appearing in the catalogue.
- 20. NOTICES**
- Any notice to any buyer, seller, bidder or viewer may be given by first class mail or email in which case it shall be deemed to have been received by the addressee 48 hours after posting or in the event of email upon actual receipt of such email.

21. **NO WAIVER**
Any indulgence extended to bidders, buyers or sellers by us notwithstanding the strict terms of these Conditions or of the Terms of Consignment shall affect the position at the relevant time only and in respect of that particular concession only; in all other respects these Conditions shall be construed as having full force and effect.
22. **LIABILITY**
Nothing in these Conditions shall limit any liability which cannot legally be limited, including liability for:
(a) death or personal injury caused by negligence;
(b) fraud or fraudulent misrepresentation;
(c) breach of the terms implied by section 12 of the Supply of Goods Act 1979 (title and quiet possession) however attention is drawn to clause 12.2.
23. **LIMITATION OF LIABILITY TO NON-CONSUMERS**
(This clause 23 applies only to non-Consumers)
- 23.1 Subject to clause 22, and unless you are an individual purchasing or selling the Lot for purposes which are wholly or mainly outside your trade, business, craft or profession (**Consumer**), our total liability to either the Buyer of the Seller (as appropriate) shall not exceed the value of the Lot sold by the Seller to the Buyer. The following types of loss are wholly excluded by us:
(a) loss of profits;
(b) loss of sales or business;
(c) loss of agreements or contracts;
(d) loss of anticipated savings;
(e) loss of or damage to goodwill, and
(f) indirect or consequential loss.
- 23.2 Subject to clause 22, all conditions, warranties and other terms which might otherwise be implied by statute, common law or the law of equity, including without limitation the terms implied by sections 13 to 15 of the Sale of Goods Act 1979, are, to the fullest extent permitted by law, expressly excluded.
- 24.1 **LIMITATION OF LIABILITY TO CONSUMERS**
(This clause 24 applies only to Consumers)
- 24.1 Consumers are reminded that we act only as an agent of the Seller and are not the supplier of the Lots.
- 24.2 If the Auctioneer or the Seller fails to comply with these Conditions, it or they shall be responsible for loss or damage you suffer that is a foreseeable result of its or their breach of these Conditions or its or their negligence, but neither the Auctioneer nor the Seller shall be responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if they were an obvious consequence of the breach or if they were contemplated by the Agent and/or the Seller and the Buyer at the time this contract was entered into.
25. **RIGHT TO CANCEL**
- 25.1 If you purchase a Lot at a virtual auction (an auction which is held online only so that there is no possibility for you to attend the auction in person) and you are contracting as a Consumer and the Seller of a Lot is a trader, you will have a statutory right to cancel your purchase of that Lot if you change your mind for any reason. The provisions below set out your legal right to cancel in those circumstances.
- 25.2 You may cancel your purchase at any time from the date of our order confirmation up to the end of the fourteenth day after the day of collection of the lot by you or the person specified by you for collection.
- 25.3 To cancel your purchase, you must inform us of your intention to cancel it. You can do this by completing the model cancellation form which can be found on our website. If you use this method we will email you to confirm that we have received your cancellation. Alternatively, you send us your cancellation notice by any other method and then your cancellation is effective from the date you send us the email or post the letter to us.
- 25.4 If you exercise your right to cancel your purchase, you will receive a refund of the total amount due paid for the Lot in accordance with clause 7. When exercising the cancellation right, you must return the lots to us immediately at your own cost (as set out below).
- 25.5 You are entitled to a reasonable opportunity to inspect the Lots (which will include removing them from their packaging and inspecting them). At all times, you must take reasonable care of the Lots and must not let them out of your possession. They must remain in original, untouched condition. If you are in breach of your obligations to take reasonable care of the Lots in this clause 25.4, we will have a claim against you and may deduct from the refund costs incurred by us as a result of the breach.
- 25.6 This provision does not affect your statutory rights.
- 25.7 The cancellation right described in this clause 25 is in addition to any other right that you might have to reject a Lot, for instance because it is a deliberate forgery as set out in clause 17 above.
26. **EXERCISING THE RIGHT TO CANCEL**
- 26.1 Where you have validly returned a Lot to us under your right of cancellation described in clause 25, we will refund the full amount paid by you for the Lot.
- 26.2 Please note that we are permitted by law to reduce your refund to reflect any reduction in the value of the Lot, if this has been caused by your handling of the Lot in a way contrary to the conditions specified in these terms or which would not be permitted during a pre-sale exhibition held prior to an auction. If we refund you the price paid before we are able to inspect the Lot and later discover you have handled the Lot in an unacceptable way, you must pay us an appropriate amount.
- 26.3 You will be responsible for returning the Lot to us at your own cost.
- 26.4 We will process any refund due to you within the deadlines below:
(a) if you have collected the Lot but have not returned it to us: fourteen days after the day on which we receive the Lot back from you or, if earlier, the day on which you provide us with evidence that you have sent the Lot back to us; or
(a) if you have not collected the Lot or you have already returned the Lot to us: 14 days after you inform us of your decision to cancel your contract.
- 26.5 We will refund you using the same means of payment that you used for the transaction.
- 26.6 Legal ownership of a Lot will immediately revert to the Seller if we refund any such payment to you.
- 27.1 **DISPUTES**
Any dispute not herein provided for shall be settled at the sole discretion of the Auctioneer.
28. **FORCE MAJEURE**
We shall not be in breach of these Conditions nor liable for the delay in performing, or failure to perform, our obligations under these Conditions (or otherwise) if such a delay or failure results from events, circumstances or causes beyond our reasonable control.
29. **ENTIRE AGREEMENT**
These Conditions constitute the entire agreement between the parties and supersede and extinguish all previous agreements, promises, assurances warranties representations and understandings between them, whether written or oral, relating to its subject matter. Except as set out in these Conditions, no variation of these Conditions shall be effective unless it is in writing and signed by the parties (or their authorised representative).
