FRANCA

— Potts Point

Celebrate with Style

Step into Franca, where the spirit of the Mediterranean meets the rhythm of Potts Point. Inspired by the south of France and the idea of lingua franca, a shared language of food, wine, and connection, Franca is designed for gathering, sharing, and lingering a little longer at the table. The menu is built around generous, shareable plates, vibrant flavours, and produce-driven cooking, all served in a space that feels both relaxed and refined.

More than just a restaurant, Franca is a modern neighbourhood meeting place, a celebration of easy luxury, warm conversation, and long, sun-soaked meals that turn into unforgettable nights.

An Atmosphere Made for Gathering

Franca is designed for connection, where long tables, shared plates, and flowing conversation set the tone. Inspired by the spirit of the Mediterranean and the south of France, the space blends relaxed elegance with vibrant energy, creating a setting that feels both elevated and effortlessly welcoming.

A Space That Brings People Together

Franca offers warm, versatile spaces that feel intimate yet alive, whether you're hosting a long lunch, an elegant dinner, or a lively celebration. With a layout designed to encourage conversation and shared moments, the room moves easily from refined and relaxed to vibrant and atmospheric, adapting effortlessly to the rhythm of your event.

Menus Designed to Share

Our menus are built around the idea of lingua franca, a shared language of food, wine, and hospitality.
