We want to integrate!

Looking to enhance your workflow? Follow these steps to allow integration of Clear21 Assessing with your iBodyshop system.

Integration Instructions:

1. **Log in to iBodyshop:** Use your Administrator credentials.
2. **Access Settings:** Click on the "Settings" home tile.
3. **Navigate to External Systems:** From the Settings menu, select "External Systems".
4. **Choose Clear21:** Locate and click on the "Clear21" option.
5. **Review Terms and Conditions:** Take time to read through the provided Terms and Conditions by Clear21 Assessing
6. **Accept Terms:** Once reviewed, accept the Terms and Conditions to initiate the integration process.
7. **Confirmation:** Let us know once you've accepted by replying to this email
