ASSESSOR COMMENT (NOT VISIBLE TO THE REPAIRER)

Australian Accident Management Commercial Pty Ltd
Level 1 Building 4, 205-215 South Pine Rd QLD 4500

This Report and acknowledgment is the expert witness report of Spiros Nitsos

I have read the Magistrates Court of Victoria Expert Witness Code of Conduct (Which is attached – attachment 1) and I agree to be bound by it.

My qualifications and experience are attached to this acknowledgement.

I have been advised that motor vehicle registered number 1LX5MJ was damaged in a motor vehicle collision on or about 6/4/2024 and asked to inspect and prepare an assessment report according to my findings.
I can advise that I inspected the vehicle on 8/5/2024 and subsequently prepared the assessment report and associated repair costs based on my findings and my industry experience.
Inspection was carried out at Sheen Croydon.

VEHICLE DESCRIPTION AND VALUE
The vehicle is the 10/2017 Kia Cerato.
The Vehicle is in above average pre-accident condition.
I estimate the fair market value to be $19563.00
The fair market value does not include stamp duty and transfer fees.
Salvage value at time of loss $1755.00

DAMAGES SUSTAINED
The Vehicle has been repaired prior to my inspection.

REPAIR WORK COMPLETED
I have reviewed the Estimate Number 14391 that was submitted by Sheen Croydon and note the following:

REMOVE AND REFIT LABOUR
I have adjusted this segment to reflect fair and reasonable Remove and Refit labour operations that are based on photographic evidence supplied, and consistent with my recent industry experience for similar labour operations.

REPAIR LABOUR
I have made the necessary adjustments as required. I have made amendments to this segment to reflect costs that I believe are fair and reasonable based on photographic evidence supplied and my recent industry experience for similar labour operations.
PAINT LABOUR
It is my expert opinion that Paint costs are excessive, and I have made several adjustments to this segment. I have made amendments to this segment that reflect costs I believe are fair and reasonable and based on photographic evidence supplied, along with my recent industry experience for similar paint labour operations.

PARTS AND MISCELLANEOUS ITEMS
All Parts appear to have been replaced as stated on the attached Repair Estimate.

Some adjustments were made to the miscellaneous segment to reflect costs that are consistent with my recent industry experience for similar operations.

QUANTUM
I have contacted the repairer and asked if there are any outstanding supplementary estimates pending on this claim. Repairer has advised: NO.
My assessment of fair and reasonable repair costs based on my Re-inspection report is $12984.26 inclusive of GST.
Adjustments have not been discussed with the repairer.

REPAIR TIME REQUIRED
I estimate the repair time for this type of repair process would be 8 working days.
This is based on my recent industry experience and has not been discussed with the Repairer.

GENERAL COMMENTS
I reserve the right to request a second inspection opportunity if additional documentation and photos become available after my initial inspection. I also reserve the right to amend my report once additional information becomes available.

Pre-Accident Market Data Report

2017 Kia Cerato Sport

Recommended PAV **$19,563**

This valuation is based on 3 advertised for sale in multiple online marketplaces. Where possible, we have utilised advertisements showing comparable vehicles for sale in the same state as the vehicle's current location. Where there are low volumes of comparable vehicles (or no vehicles at all) for sale in the same area as the vehicle, we utilise advertisements showing similar vehicles, or vehicles for sale in other states in order to substantiate our valuation. The average price of the advertised vehicles (adjusted where necessary to reflect differences in condition, odometer readings, and accessory levels) is $19,563.

Rule 44.01

EXPERT WITNESS CODE OF CONDUCT

Application of Code

1 This Code of Conduct applies to any expert witness engaged or appointed:

(a) to provide an expert's report for use as evidence in proceedings or proposed proceedings; or

(b) to give opinion evidence in proceedings or proposed proceedings.

General duties to the Court

2 An expert witness is not an advocate for a party and has a paramount duty, overriding any duty to the party to the proceedings or other person retaining the expert witness, to assist the Court impartially on matters relevant to the area of expertise of the witness.

Content of report

3 Every report prepared by an expert witness for the use in Court shall clearly state the opinion or opinions of the expert and shall state, specify or provide:

(a) the name and address of the expert;

(b) an acknowledgement that the expert has read this code and agrees to be bound by it;

(c) the qualifications of the expert to prepare the report;

(d) the assumptions and material facts on which each opinion expressed in the report is based (a letter of instructions may be annexed);

(e) the reasons for and any literature or other materials utilised in support of each such opinion;

(f) (if applicable) that a particular question, issue or matter falls outside the expert's field of expertise;

(g) any examinations, tests or other investigations on which the expert has relied, identifying the person who carried them out and that person's qualifications;

(h) to the extent to which any opinion which the expert has expressed involves the acceptance of another person's opinion, the identification of that other person and opinion expressed by that other person;

(i) a declaration that the expert has made all the inquiries which the expert believes are desirable and appropriate, (save for any matters identified explicitly in the report) and that no matters of significance which the expert regards as relevant have, to the knowledge of the expert, been withheld from the Court;

(j) any qualification of an opinion expressed in the report without which the report is or may be incomplete or inaccurate;

(k) whether any opinion expressed in the report is not a concluded opinion because of insufficient research or insufficient data or for any other reason; and

(l) where the report is lengthy or complex, a brief summary of the report at the beginning of the report.

Supplementary report following change of opinion

4 Where an expert witness has provided to a party (or that party's legal representative) a report for use in Court, and the expert thereafter changes his or her opinion on a material matter, the expert shall forthwith provide to the party (or that party's legal representative) a supplementary report which shall state, specify or provide the information referred to in paragraphs (a), (d), (e), (g), (h), (i), (j), (k) and (l) of clause 3 of this code and, if applicable, paragraph (f) of that clause.

5 In any subsequent report (whether prepared in accordance with clause 4 or not) the expert may refer to material contained in the earlier report without repeating it.

Duty to comply with the Court's directions

6 If directed to do so by the Court, an expert witness shall:

(a) confer with any other expert witness;

(b) provide the Court with a joint report specifying (as the case requires) matters agreed and matters not agreed and the reasons for the experts not agreeing; and

(c) abide in a timely way by any direction of the Court.

Conference of experts

7 Each expert witness shall:

(a) exercise his or her independent judgment in relation to every conference in which the expert participates pursuant to a direction of the Court and in relation to each report thereafter provided, and shall not act on any instruction or request to withhold or avoid agreement; and

(b) endeavour to reach agreement with the other expert witness (or witnesses) on any issue in dispute between them, or failing agreement, endeavour to identify and clarify the basis of disagreement on the issues which are in dispute.
