35. Style of DS
36. AMG

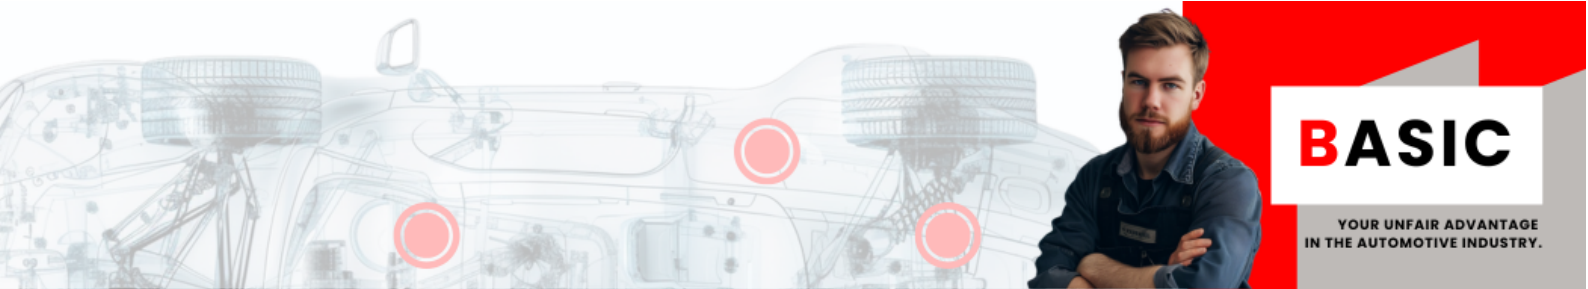

Check the following pages for brand/model compatibility details. The full list of features and exact pricing per model is available in the BASIC Europe app - available on Google Play and the Apple App Store. Most features cost between 15 and 200 credits (1 credit = 1 €)

Feature	Explanation
AUX Audio Input	Enables the auxiliary audio input option on vehicles where the hardware is present but not active.
AM FM Radio Frequency	Unlocks support for global AM/FM radio frequency ranges, useful for imported vehicles with region-locked radios.
Car Play & Android Auto	Activates Apple CarPlay and/or Android Auto functionality for cars that support it but it's not enabled by default.
Mirror Link	Enables MirrorLink functionality to project smartphone content onto the vehicle's infotainment screen.
Video In Motion	Allows video playback on the infotainment display while driving (passenger-only viewing recommended).
Mirror Folding	Enables automatic folding of side mirrors when locking or unlocking the car.
Start & Stop	Allows activation or deactivation of the start-stop system that turns the engine off at stops to save fuel.
All Doors Lock/Unlock	Changes locking behavior to lock/unlock all doors at once instead of just the driver's door.
Lock Feedback Sound	Deactivates an audible signal (usually a beep or honk) when locking/unlocking the vehicle.
Horn Test	Enables a diagnostic or test function to verify horn operation.
High Mounted Stop Lamp	Activates or configures the third brake light (CHMSL) functionality.
Directional Headlights	Activates adaptive headlights that follow steering movement for better visibility.
Seatbelt Warning Sound	Disables the audio warning when seat belts aren't fastened.
Car Wash	Activates a mode where mirrors, wipers, and other systems behave optimally for automatic car washes.
Language	Allows switching the system language of the infotainment or dashboard.
Temperature C / F	Enables switching between Celsius and Fahrenheit on the display.
Air Freshener	Activates built-in fragrance dispensers in vehicles that support this feature (e.g. some Mercedes models).
Battery Reset	Resets battery adaptation values after a battery change to avoid warning lights.
Enable Driver Mode	Activates a dynamic or sport driving mode preset hidden in some vehicles.
Dynamic Grid Lines	Enables moving guidance lines on the rearview camera when reversing.

Lane Assist	Activates lane departure warning or lane keeping assist functions if sensors are present.
Auto Park	Enables automatic parking functionality (parallel or perpendicular) if hardware is installed.
Parking Aid	Activates or fine-tunes acoustic/visual parking sensors and alerts.
Panoramic Camera	Enables the 360° camera system view if supported by the vehicle.
Front View Camera	Activates the front-facing parking camera if fitted but disabled.
Rear View Camera	Activates the rear view camera if present but inactive.
Global Windows	Allows all windows to be opened/closed simultaneously via key fob or door lock.
Activate Trailer Relay	Enables trailer module functionality such as lighting or rear sensor override when towing.
Panic & SOS Button	Activates the emergency call (SOS) or panic button feature (horn/alarm).
Alarm	Activates or adjusts the factory anti-theft alarm system.
Trip Computer	Enables trip/fuel consumption data on the dashboard screen.
Rear Wiper	Activates rear wiper logic or makes it responsive to reverse gear engagement.
Remove Speed Limiter	Removes or raises a soft speed limiter set by the manufacturer or for regional compliance.
Showroom / Customer Mode	Enables a dealer presentation mode or disables warning messages for demo use.
Style of DS	Activates DS Automobiles signature themes (lighting, graphics, etc.) in compatible vehicles.
AMG	Activates AMG-specific dashboard themes or performance display styles in Mercedes-Benz vehicles.

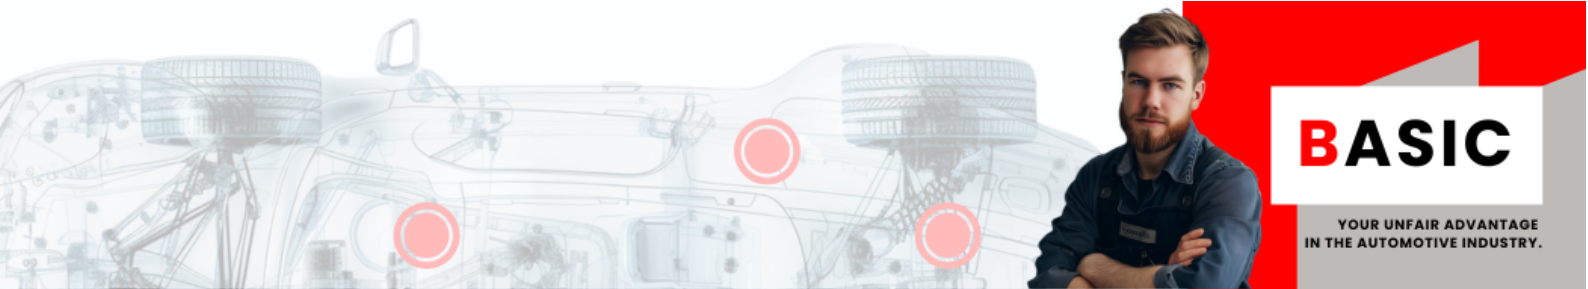

IMPORTANT NOTE:

- Please check the app for the most current updates – we are adding new features continuously.
- Some features may only be available for certain model years.
- Always verify compatibility for your specific vehicle.
