SMTC Classic Car Event and Cresta Summer Party 2025
July 11th 2026, St. Moritz

Dear Classic Car Riders, Motor Bike Riders and Party People!

Another year with another classic car tour. We are looking forward to welcome you for another fantastic journey in our favourite region of the Alps.

We will meet at 10.00 am at the Kempinski Hotel in St. Moritz Bad. The bar will be opened especially for us, and you can have a coffee or breakfast before we start.

At 10.45 am we start our engines and will have a smooth ride down the Maloja Pass to an aperitivo stop in Chiavenna followed by a short trip to Ristorante Crotasc which we will be exclusively reserved for us. Who wants to drive more will skip apero and drive with Franco to Spluegen Pass and from there to the restaurant.

Again, all participants of the Cresta Weekend will have our SUMMER PARTY at the Billionaires with dinner and dancing powered by our own DJ Guido (please see details on the last page).

Please find the details incl. the RSVP address on the next page.

We look forward to ride and party with us in St. Moritz
