Dear Member

My out-of-season emails are a bit like buses – you wait for ages, and then two come along together. I promised you details of the **CRESTA HOUSE PARTY** on 6th November – ta dah! The invitation and application form are attached.

Dan Parenti has done an amazing deal with the venue, and it promises to be a fantastic Cresta party. we have split the tickets into two tiers:

Tier 1 – Reception Drinks and three course dinner with a bottle of wine per head

Tier 2 – All of the above **plus** dancing after dinner to our favourite DJ, Guido from Dracs, and an open bar. (This is obviously the option to go for.)

There are only 120 tickets, although some after-dinner tickets may become available towards the end of the booking process.

We need to give the venue final numbers by 22nd October. Please, please, please, simplify my life by applying and paying early.

Best wishes
Harriet Brabazon
