SMTC BICYCLE

Gregor von Opel has designed a very splendid bicycle exclusively for SMTC Members, together with some wonderful leather accessories for the most discerning and elegant cyclist. The range can be viewed [here](#) - with Spring here and Summer round the corner, you can get fit in style. Please contact Mo Robinson, (robnr123@aol.com) our Shop Keeper, for initial enquiries. If you already have a bike or a MAMIL in your household, then do look at the briefcases, carrier bags and leather goods – very covetable pressies, which can be purchased independently of a bike order. Bear in mind that delivery take 4-6 weeks, and there may well be carriage and import duty payable, depending on destination.
