Dear Member

WEBSITE

While the calendar for next season has been agreed, there is a great deal of work to do updating the website, and given that Covid has this maddening habit of moving the goal posts every time we all think we can heave a collective sigh of relief and get on with our lives, I regret that this is still a Work in Progress as so much needs to be reconsidered and updated. I have, however, posted the updated **FIXTURE CARD** for next season in the Members' Area and it can be seen [here](#).

While Freedom Day in the UK has yet again galloped into the distant horizon, making it nigh impossible for cross-border jaunts from Switzerland to the UK and vice versa, there are still **SUMMER EVENTS** to look forward to. A gentle reminder to book up:

... In England

Saturday 3rd July 2021

Culham Court Cricket

Bring your own picnic (whether lavish or simple) and enjoy a marvellous day either spectating, or playing in the glorious ground at Culham. The event last September attract more than 100 Cresta members and friends and was the most enormous fun. If you have not already done so, please let [Toby Clowes](#) know by 25th June whether to expect you (and family and friends.) Under the Covid rules, there is no limit on numbers outdoors but people must stick to the rule of six.

Venue: Culham Court, Aston, Henley-on-Thames, Oxon RG9 3DL

Time: 11 a.m. for 11.30 start.

Cost: £25 for players

£10 for spectators

Under 18s free (whether playing or spectating)

Offspring of Members are very welcome to play. Once Toby has a list I will email people requesting payment by bank transfer.

Car Rally

Meet outside the Kulm at 10.00. The planned drive is to the Sertigtal over the Albula and have lunch. Together we drive back to St. Moritz over the Flüela.

Please let [Marc Fischer](#) know at the latest by **6th July** if you plan to attend so that he can make the reservation for Lunch.

UNIVERSITY EVENT

The University Event had to be cancelled last season – a grave disappointment in a sadly long list of them – but particularly as so many teams were signed up. We will be holding two events next season – one in December and another in January and I am very happy to report that places are filling up quickly for both sets of dates. If you (or – for parents - your offspring) are contemplating this, please do get in touch to reserve a spot for your team.
