

7th September 2021

Dear Member

**Greg Sharrigan
1953-2021**

It is with huge regret that I write to let you know the shocking news that Greg Sharrigan was killed on Thursday in an explosion at his home.

Elected in 1998 and riding regularly, mostly from Junction, he was aptly named, being gregarious and always interested in people in a positive way. He and Carol would come out to St Moritz in time for the Coppa d'Italia and stay for two or three weeks, cementing already fast Cresta friendships in the Zoo Bar of the Soldanella. During lockdown he kept in touch with Cresta friends with virtual drinks, probably sipping a Mai Tai, his favourite cocktail, as they chatted.

Easy-going, warm, caring and kind; Greg's many Cresta friends will join the President, Committee & Secretariat in appalled disbelief at his untimely death and send waves of love and support to Carol, their sons and the family.

Yours, very sadly,
Harriet
