

President's Letter

28th November 2021

Dear Member

New entry rules for Switzerland

What disappointing news from Switzerland this weekend - 10 days quarantine for Brits with immediate effect. Ever the optimist, I sincerely hope we see some relaxation in the coming weeks and that the latest Covid variant is not as concerning as first thought.

Whatever happens the construction of the Run is about to start and Gary and Martin are heading to the Engadine this week and will quarantine for ten days so that one way or another we will open the Run even if on a limited basis.

We will of course keep you posted of any guidance updates we receive from our friends in St Moritz.

All good wishes

James
