SMTC Classic Car Event 2022
July 9th 2022, St. Moritz

Dear Classic Car Riders

The Cresta Classic Car Event is back and we are happy to send you our program for this years event and we would be glad if you will be able to participate.
We will meet at 8.30 am at the Restaurant Salastrains where we will start the day with a breakfast, hopefully on the terrace, together with the bike group.

At 10 am we start our engines and will have a smooth ride over the Bernina to Italy on a routing which is suitable for pre and post war cars. We will have an aperitif at a surprise location and an Italian lunch at the Osteria Roncaiola in Tirano.

After the tour back to St. Moritz we will have a dinner together with the other groups of the Cresta Weekend at Restaurant Peppino`s. Please find the details incl. the RSVP address on the next page.

We look forward to ride with us in St. Moritz
