20th October 2022

Dear Member

The sun has just set on the Cresta Halloween on the Zambezi where 70 Members and friends discovered the delights of the Zimbabwean bush by rail, and the wonders of the Victoria Falls by air and water. Simon Ford organised the most spectacular itinerary of events, all punctuated by resplendent Fireworks. Bravo Simon!

As we gear up for the new Season I would like to draw your attention to a few things:

Cresta Ball - After Dinner Ticket Holders

There are still some "After Dinner Tickets" available to the Cresta Ball on 10th November in London. These are priced at £70. Thanks to the generosity of a Member, ex Tower Boys and Shop Girls, aged under 25 can apply for a complimentary "After Dinner Ticket".

For those with "After Dinner Tickets" Richard Morgan has kindly volunteered to organise an alternative dinner at a nearby restaurant. Should you like to buy a ticket or register interest for the alternative pre-dinner, please email cresta.ball@gmail.com.

There is also still time to donate raffle and auction prizes to the Ball, and any donations would be very warmly received.

SMTC Bomber Skis

A couple more orders of SMTC Bomber skis are required before they can be put into production. More information can be found [here](#) and please contact [Dushan Karageorgevitch](#) should you be interested in purchasing a pair.

Monobob Schools

There are several opportunities to learn the Monobob or refresh your skills in order to participate in the Cresta Monobob Event on 10th February and indeed other Monobob races organised by the Bob Run. Tony Wallington has organised a special School in the days leading up to the Cresta Monobob Event. More information can be found [here](#). Please contact [Tony Wallington](#) to register your interest.

There are also several Schools run by the Bob Run throughout the Season. All the dates and way to apply can be found on the Cresta Run Schedule on the website [here](#).

EHIC/GHIC cards

If you are a resident of the European Union or UK you are eligible to apply for an EHIC/GHIC card. We strongly advise you to apply for one of these cards as they allow you access to medically necessary state provided health care. They are free of charge. However these cards are not a substitute for travel/accident insurance. It should be used in conjunction with appropriate insurance. Riders are strongly urged to take out appropriate insurance that covers the Cresta Run as an addition to their usual travel insurance before departing for St Moritz. Please see further details [here](#).

Best wishes,
Tilly MacDonald
