Dear Cresta Friends

**Mark Andrews**

**1958-2023**

It is with great sadness that I share with you the tragic news that our dear friend Mark "Driller" Andrews took one jump too far last Saturday in Trentino. His exploits underwater and in the sky were extraordinary, few members will forget his daring base jump from a low flying hang glider onto the St Moritz Lake. A spirited Top Cresta rider whose helmet sported a red plume, Mark's friendships among Cresta riders

meant far more to him than his other adventures off the Run. He also completed the Isle of Man TT five times on one of his four Ducati's. Professionally he was part of the team that made the first connection with the French in the Channel Tunnel. Our thoughts are with Mark's wife and family.

As Ever.

James B. Smith
