Dear Member

It is with regret that I write to inform you that Hugh Bevan died peacefully at home on Friday 29th September after a long battle with prostate cancer. He was 62.

Hugh joined the Membership after his first season of riding in 1999. He rode every few years, completing a total of 90 rides from Junction and only visited the straw 4 times. His father was also a Member of the SMTC, Sir Timothy Bevan (1985), as is his son Hector (2022).

Hector writes that although he didn't go regularly, he loved taking friends out for a few days and took all three sons out at the first opportunity for the Fathers and Sons race. His last visit was in 2022 when he fully embedded with the Royal Navy team for a few days.

We send our condolences to his wife Etta and sons Hector, Rufus and Toby.
