21st November 2024

Dear Member

It is regret that I write with the very sad news that David Lycett Green has died. Richie Robbins has written the following tribute:

David Lycett Green
20 September 1975 - 11th November 2024

David Lycett Green very sadly died peacefully on 11th November 2024. He was only 49 years old and is the first Tower Boy we have lost . He had been ill for some years and could not carry on the struggle. He came to St Moritz as a Tower Boy in 1995 and was a much loved addition to the team. Although he was only with us for half the Season he achieved a very good 47.50 from Junction and, after only 9 rides from Top, did a 65.99. A promising start to his Cresta riding career but sadly he was not really well enough to continue riding every year. During his time in St Moritz he was diligent and eccentrically entertaining. We who knew him remember him as being a fun loving and unassuming, amusing young man. Our thoughts and deep sympathy are with his father Rupert, and all the family who loved him so much.
