**17th December 2023**

**Dear Member**

Our beloved Run will open tomorrow, Monday 18<sup>th</sup> December at 9 am for the Bartley Bear. Once again Natalino, Luca and their crew have recreated this magnificent ice sculpture that we respect and adore. The Engadine valley looks particularly beautiful at the start of this season. The boughs on the fir trees are hanging low, graced with a snow covering. Heavy snow falls and cold nights interspersed with some warm days have been almost ideal for building the Run.

Noni Cuthbert has stocked the Shop with all sorts of wonderful goodies, so if you have yet to finish your Christmas shopping, pop in and have a look. Matteo, Mario and Luigi will be ready to welcome you. The whole Tower Team have been beavering away in preparation. The Tower "kinder", Isabella Evans, Johnny von Fürstenberg and Casimir Zach have fully mutated into shovelling machines. We are looking forward to welcoming as many of you as possible in the next days.

**University Event**

We have a full contingent of University Teams arriving on Tuesday 19<sup>th</sup> December for three days of fun and games.

**Americas Toboggans**

Twenty one Members have very kindly agreed to sponsor new Americas toboggans. We have two brand new prototypes waiting to be tested. They look magnificent. Once the sponsors have had the opportunity to give them an initial ride, you are welcome to test them for your selves. Please see Jamie Summers should you wish to do so.

**Riding Bars**

We have now have riding bars for both last season and this season available for purchase. Please see Tilly MacDonald or Annabel Kettler.
