The Golf clubs sitting in the back of your wardrobe definitely need the cobwebs swept away and Alexander Schmidt (the Marmot) has a wonderful day planned to do just that, at the golf course in Samedan followed by the dinner in the evening, at the Steffani, please click [here](#) for the information, itinerary and registration form.

Classic Cars and Cresta Summer Party

Saturday 5th July

Throw those dust sheets off those precious cars, have a potter out to St Moritz and join our Classic Car Event, followed by the Cresta Summer Party 2025. Please click [here](#) for the details.

Bicycling

Saturday 5th July

E-bike Tours

If golf is not really your thing and the car just will not start, Tobias Schaer has organised a wonderful day out, in the Engadin valley and up in the mountains. E-bikes can be rented from Tobias at a special price of 50 francs. There are two choices both of which are e-bike tours, so everyone can easily join.

Road Bike Tour

Join us for an exhilarating road bike ride through some of the most breathtaking scenery the Alps have to offer. We'll depart promptly at 9:00 AM from the Kempinski Hotel in St. Moritz, embarking on a scenic 100 km loop with approximately 1,000 meters of elevation gain.

Our route will take us through Zernez and over the stunning Ofenpass, descending into Livigno where we'll stop for a well-deserved lunch. Afterwards, we'll continue the loop via Forcola di Livigno and the majestic Bernina Pass, returning to St. Moritz by mid to late afternoon.

This tour is perfect for cyclists looking for a challenging yet rewarding alpine ride. Don't miss this chance to experience high mountain roads, panoramic views, and great company.
