Will On

Will On is the Co-founder and Joint CEO of Shippit, Australia's leading commerce delivery platform.

With a background in management consulting at Deloitte and PwC, Will brings a strong commercial lens and operational discipline to scaling technology businesses. Shippit now handles over 100 million shipments annually, supporting major retailers including Kmart, Myer, Big W, Baby Bunting and R.M.Williams.

He is passionate about building high-performance teams and driving innovation across the retail and logistics ecosystem. Outside of work, Will plays competitive basketball, enjoys a run and a glass of red.
