Inga Latham

Inga Latham is Chief Product and Customer Experience Officer at Shippit, where she leads the product, design, analytics and customer-experience functions.

Prior to joining Shippit, Inga - an accomplished product and digital leader with over two decades of global experience - held senior roles including CPO at SiteMinder and digital executive positions at Commonwealth Bank of Australia.

With a deep background working across tech, travel and ecommerce Inga brings a rich mix of strategic vision and operational rigour. Inga is passionate about harnessing AI, data-driven insights and design thinking to deliver exceptional user experiences and drive business growth.
