GRPWEGMAN.COM

For over 70 years, GRP | WEGMAN has delivered Innovative Facility & Energy Solutions that help schools, municipalities, and businesses modernize, save energy, and build for the future.

With hundreds of skilled employees, we deliver across disciplines—from HVAC and plumbing to solar, construction, and infrastructure services—ensuring quality, efficiency, and long-term results.

Our flexible funding and procurement options make complex projects achievable, while our proven track record in safety, compliance, and performance has built lasting partnerships.

**WE DON'T JUST BUILD.
WE INNOVATE, OPTIMIZE,
AND POWER EFFICIENCIES—
FROM CONCEPT TO COMPLETION.**
