Bring Your Entertainment to Life with MIRA-X1

Meet MIRA-X1, a sleek and modern video projector designed to elevate any room with its refined black finish. With an impressive 500 ANSI Lumens, it delivers bright, sharp images up to 120 inches, perfect for movies, series, gaming, or presentations. Powered by Google TV, the MIRA-X1 offers seamless access to all your favorite streaming platforms. Its advanced convenience features, including auto focus, auto frame correction, and obstacle avoidance ensure effortless setup and a perfectly adjusted picture every time. Combined with stereo sound, dual-band Wi-Fi and Bluetooth 5.0, the MIRA-X1 blends performance and simplicity. Thanks to its built-in stand, it is both portable and versatile, allowing you to project your content wherever you need with optimal stability.

- FHD native resolution 1080p
- Variable projection distance from 1m to 4m
- 2 x 5 W speakers for an optimal stereo sound
- Wide screen size from 40 to 120 inches
- 10,000+ apps and access with backlit remote
- 121° rotatable built-in stand
- Stunning stereo sound with Dolby audio
- Automatic Focus and Keystone correction
