LEAP-NOVA: Premium Streaming Redefined

Experience next-level 4K streaming with LEAP-NOVA. Powered by Android™ 14 for TV and Wi-Fi 6, it ensures faster connectivity, smoother navigation, and seamless playback. Enjoy breathtaking picture quality with Dolby Vision®, HDR10+, and AV1 support, delivering richer colors, deeper contrast, and stunning detail in every scene. With 32GB of storage, you have more space for apps, games, and entertainment, giving you the freedom to personalize your experience. AI PQ intelligently optimizes brightness and color in real time for consistently vibrant visuals, while AI SR enhances HD content closer to 4K quality for sharper, clearer images. Compact in design yet powerful in performance, LEAP-NOVA transforms the way you stream.

<https://www.strong-eu.com/fr/strong-entertainment/selection>

Thanks to **AI PQ & AI SR**, everything you watch looks **clearer, sharper**, and more detailed.

Easy-to-use

User-friendly and easy-to-handle interface for a smooth, intuitive experience, with simple app download and installation from the Play Store.

Dual-Band Wi-Fi 6

Enjoy faster, more reliable connections with dual-band Wi-Fi 6. Whether streaming 4K content, gaming, or browsing, your LEAP-NOVA stays smooth and uninterrupted, with stronger coverage and reduced latency.

Screen mirroring

Enjoy seamless screen mirroring with built-in Google Cast. Instantly stream photos, videos, music, and apps from your smartphone, tablet, or laptop directly to your TV.

HDMI 2.1b

USB-C

- **Pre- UBS-C:** Powered the stick with included Power Supply Unit
- **HDMI 2.1b:** To connect to your TV
