LEAP S4: Elevated Smart Streaming

Experience smarter 4K streaming with the LEAP-S4. Powered by Android™ 14 for TV and Wi-Fi 6, it delivers fast connectivity, smooth navigation, and seamless playback. Enjoy stunning picture quality with Dolby Vision®, HDR10+, and AI-enhanced picture processing for richer colors, sharper details, and more vibrant visuals. With 64GB of flash memory, there's plenty of space for apps, games, and entertainment. Bluetooth® 5.2 and HDMI™ 2.1b provide advanced connectivity, while the USB-C port adds everyday convenience. Lost your remote? Simply press the built-in Find My Remote button to locate it quickly and get back to streaming. Compact and powerful, the LEAP-S4 brings smart technology and effortless entertainment together.
