

PV PLAYHOUSE

DRAMA FESTIVAL 2025

FESTIVAL PROGRAMME

WELCOME

Molweni! Welcome to the Playhouse Theatre!

We are blessed and bedazzled to once again take to the stage with a new season of 28 new plays, new ideas, new memories and new adventures. With 7 primary school plays joining us this year the competition is continues to reach new levels of excellence. Together with 21 high school plays, is a vital moment in the journey of all these learners and theatre makers as they plot out a season for the year! May your dreams fly beyond the moon and may you have lots of fun on the Playhouse stage!

I am grateful that these plays get the chance to perform at the Playhouse in preparation for other older and esteemed competitions such as the Artscape Drama Competition, Montagu Youth Arts Festival, Klein Libertas Toneelfees, Logan Fraserburg Toneelfees, HS Durbanville PRONK PODIUM Toneelfees and the ATKV Tienertoneel Competition. Our list of experienced volunteer adjudicators will be providing feedback and commentary directly to the directors of each play.

This is critical for betterment and growth, if not for this season, then for the future.

As a theatre we pride ourselves in showcasing the talents of young people and attracting young audiences. As a community establishment over a hundred years old we need to ensure that live theatre and all the arts that go with it are endured and lifted higher. The best way to ensure that stories will continue to be told when we are gone, is to listen to the stories of young minds and provide them with the right and voice to speak their realities in creative ways.

Ngapha kwe nyanga!

Willie Wepener is 'n jong uitvinder wat nie waardeer word deur sy Wetenskap onderwyser nie. Inteendeel, sy pik op hom. Wanneer Juf Voete 'n opdrag gee dat die Gr 7's 'n praktiese demonstrasie moet doen van Wisselstrome en Gelykstrome, beleef hy 'n eureka-oomblik en bou die Yummy Juffie masjien wat kan help om ontslae te raak van lastige onderwysers. Tydens die demonstrasie van die uitvindsel, is almal ewe veras oor die drastiese resultate. Dit lei daartoe dat die skoollewe op dié Woensdag kortstondig verander met sy selfaangewese hoofskap nadat die sleutelfiguur stuk-stuk verdwyn het. Die masjien ruk hand uit en veroorsaak chaos, want Willie het nog nie die afsit sagteware geïnstalleer nie.

Gaan Juf Voete, die skoolhoof en al die skoolkinders weer gesien word? Gaan Langbeen Lisa deel word van die toekomsdrome en gaan Frikkalina, die boelie, van siening en hart verander?

THE APPLE OF DISCORD

TYGERBERG HIGH SCHOOL

GENRE: Fantasy

AGE RESTRICTION: None

When Hecate, a dark mistress of magic, presents a gift intended for "the fairest of them all", she doesn't merely sow discord between the Greek Gods – she poses a question that shakes the heavens: What is true beauty? To answer this, the Olympians do what they do best – involve an unsuspecting mortal being.

The Apple of Discord is the tale of how a young, just boy named Paris is faced with the impossible task of deciding the most beautiful goddess on Olympus. Will his mind be convinced by the Goddess of Wisdom? Will his heart resonate with the Goddess of Compassion? Or will his body succumb to the Goddess of Desire? Watch how Paris juggles morality and prophecy in a trial that could potentially spell the end times for Olympus.

TESTIMONIES OF A TAXI

HOTTENTOTS-HOLLAND HIGH SCHOOL

GENRE: Drama

AGE RESTRICTION: None

In the heart of South Africa, a taxi driven by the spirited Aus Puleng becomes a moving confessional for a diverse group of passengers. Each character—students, nurses, gangsters, pensioners—carries secrets, struggles, and moral dilemmas. As their lives intersect on the daily commute, stories of survival, injustice, love, and regret unfold. Through humour, heartbreak, and haunting truths, the play explores the weight of choices in a world where options are limited. However, appearance does not always reflect reality as these passengers are faced with compromising choices of morality in an immoral world. "Testimonies of a Taxi" is a poignant, powerful journey through the soul of a community.

GENRE: Expressionist Drama

AGE RESTRICTION: 16 (Mature Content/Volwasse Inhoud)

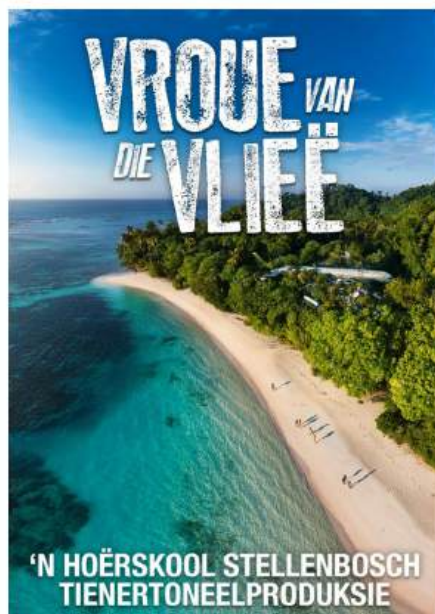

'n Versengende emosionele verhaal van tiener ontwaking en selfontdekking in n tyd wanneer die wereld verander. Dit speel af in n Afrikaner dorpie in Suid Afrika 1891, en alle grootmense hou al die kaarte. Met slegs mekaar vir leiding probeer n groep van jong mans en vroue om die moeilike pad van adolessensie te navigeer en ontdek die lewe is nie so maklik soos dit lyk nie. Dan is dit 2025 en tyd het verander, maar dit blyk dat dinge nie beter geword het vir tieners nie. 'n Elektriese, lewendige viering van die jeug en die stelsels waaraan hulle moet voldoen, herverbeeld Boet en Saartjie die geliefde onskuldige kinders uit die klassieke storieboek-as tieners in n regte wereld. Dit is n storie wat 'n kragtige emosionele slag het.
