# THE HINDI EXAM

**Dakshin Bharat** Hindi Prachar Sabha is an excellent platform for beginners and all Hindi enthusiasts to learn a new language. Parents need not worry about finding tutors or study material, as the Sabha provides both in a structured manner. Established by Mahatma Gandhi, the Sabha was founded with the vision of fostering unity in diversity. India, being a multilingual country, grants its people the freedom to speak their native languages. However, the Prachar Sabha was created to encourage and motivate people especially in South India to learn and use Hindi as a link language, promoting national integration.

Rudrappasamy School has provided an excellent opportunity for the younger generation to learn a new language through the Dakshin Bharat Hindi Prachar Sabha. The structured levels of the exams motivate students to deepen their understanding and excel in Hindi.
