

JULY'2025

JULY 2025 - 2026

RUDRAPPASAMY SCHOOL

VISION

We pride ourselves on having qualified faculty. To empower students has always been at the heart of what we do at Rudrappasamy School. We aim to help each child entrusted to us by giving them every opportunity to acquire, demonstrate, articulate, and innovate knowledge and skills that will support them in the years to come.

MISSION

Our mission is to help students actively contribute to the integrity of our planet and everyone in it. We do this by teaching them essential values like respect, tolerance, wisdom, inclusion, and understanding. In addition, we also guide them to embrace valuable traits like patriotism, academic competitiveness, and the pursuit of Gandhian and Nehruvian principles that will transform them into excellent people dedicated to the upliftment of our nation.

HERITAGE CLUB

THE HERITAGE CLUB ACTIVITY WAS HELD IN OUR SCHOOL WITH THE AIM OF FOSTERING AWARENESS AND APPRECIATION OF OUR RICH CULTURAL LEGACY AMONG STUDENTS. THE EVENT PROVIDED AN OPPORTUNITY FOR STUDENTS TO EXPLORE THE DIVERSE TRADITIONS, ART FORMS, MONUMENTS, AND HISTORICAL VALUES THAT DEFINE OUR NATION'S HERITAGE.

Stretches In Class

Introducing stretching exercises in our school classrooms has proven to be highly beneficial for students. Regular stretching helps improve flexibility, posture, and blood circulation, which in turn enhances focus and alertness during lessons.

These short physical breaks between study sessions also help reduce stress, muscle tension, and fatigue, especially for students who sit for long hours. Stretching contributes to better physical health and supports mental well-being, creating a more positive and energized learning environment.

By practicing stretches daily, students develop a habit of staying active, which is essential for their overall growth and development. It also encourages a healthy lifestyle and teaches the importance of caring for one's body.

CAMBRIDGE EXAMS

We are proud to announce that our students have successfully appeared for the Cambridge English Examination across all levels. The exam is designed to assess students' proficiency in English, including skills such as reading, writing, listening, and speaking, in alignment with international standards.

Students from various classes participated in different levels of the Cambridge Assessment English exams, including Starters, Movers, Flyers, Key (KET), Preliminary (PET), and First (FCE) based on their age and language proficiency. The tests were conducted in a well-organized manner, and all students performed exceptionally well, showcasing their strong command of the English language.

International Examinations

OUR YOUNG ACHIVERS

A group of our students represented the school by participating in various competitions held outside the campus. They showcased their talents and skills in different categories and brought pride to our institution by winning trophies and accolades. Their hard work, dedication, and competitive spirit were truly commendable. We congratulate all the participants and winners for their outstanding achievements and for being wonderful ambassadors of our school.

SPORTS INTERAMURAL 2025-2026

Sports Interamural 2025-2026 was organized to promote teamwork, sportsmanship, and physical fitness among students. The event witnessed enthusiastic participation, with students competing in various games and showcasing their athletic talents.

SPORTS INTERMURAL 2025-26

The **Arts Club** in our school encourages students to explore their creativity through drawing, painting, and other visual art forms. It provides a platform for young artists to express their imagination and showcase their talents.

SCIENCE CLUB

THE STUDENTS CONDUCTED A DEBATE ON MANURE AND FERTILIZERS, DEMONSTRATED HOW TO IDENTIFY HEALTHY SEEDS, GAVE A POWERPOINT PRESENTATION ON THE CATEGORIES OF MICROORGANISMS, AND PERFORMED A SKIT ABOUT JUNK FOOD.

Our students of Class 6 and 7 conducted a science activity on the concepts of visible and invisible changes, separation of substances (sedimentation and decantation), and explained about fats in our body and the digestive system.

Apollo Shine conducted an orientation program exclusively for girls, focusing on personal hygiene and health awareness. The session aimed to educate students on the importance of maintaining cleanliness, menstrual hygiene, and overall well-being through interactive discussions and expert guidance.

**Thank you for taking the time to explore
this journey with us. Your curiosity and
commitment make all the difference.”
