RUDRAPPASAMY SCHOOL

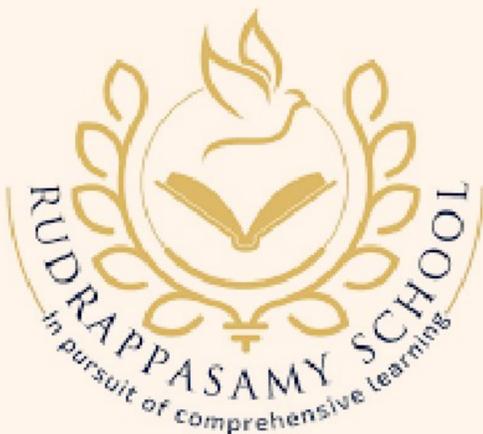

VISION

We pride ourselves on having qualified faculty. To empower students has always been at the heart of what we do at Rudrappasamy School. We aim to help each child entrusted to us by giving them every opportunity to acquire, demonstrate, articulate, and innovate knowledge and skills that will support them in the years to come.

MISSION

Our mission is to help students actively contribute to the integrity of our planet and everyone in it. We do this by teaching them essential values like respect, tolerance, wisdom, inclusion, and understanding. In addition, we also guide them to embrace valuable traits like patriotism, academic competitiveness, and the pursuit of Gandhian and Nehruvian principles that will transform them into excellent people dedicated to the upliftment of our nation.

BOOK FAIR

A book fair was held in our school. Many different books were kept for students to see and buy. There were storybooks, picture books, and learning books. All the students were very happy and excited. Teachers told us that reading books is a good habit. The book fair was fun and useful for everyone.
