Description and Applications

The EPJEXCOMBO-5W-UNV exit/emergency combo is rated for use in environments that require the following:

- Class I, Division 1, Groups C, D
- Class I, Division 2, Groups A, B, C, D
- Class II, Division 1, Groups E, F, G
- Class II, Division 2, Groups E, F, G Class III

The exit/emergency fixture is designed for applications requiring classified, water and dust-proof metallic fixtures. Exit and battery are IP66 wet location rated and excellent for indoor and outdoor locations. Typical applications include solvent and cleaning areas, petrochemical facilities, marine facilities, waste treatment plants and food processing applications.

Electrical
Long-life LED system coupled with battery delivers optimal performance. Projected L70 rated life is >50,000 hours. Battery life in emergency mode is 360 minutes.
Certifications
UL924 • CSA C22.2 No.137/No.250.0
Marine and Wet Locations

Performance
Projected L70 life is >50,000 hours. Standard fixture utilizes LED modules to light the exit sign. LED modules are offered with a standard 5 year warranty based on performance under normal conditions.

Note: Actual performance may differ as a result of end-user environment and application. All values are design or typical values, measured under laboratory conditions at 25 °C. Specifications subject to change without notice.

Specifications

Construction and Specifications:

Construction:

- Sign panel: Glass
- Mounting Sling: Stainless steel
- Bolts: Stainless steel
- Indicator: Tempered glass
- Housing: A360 die-cast aluminum

Additional Information:

Finish: Gray powder coat

Light Source: 5-watts

CRI: > 80 CCT 5000K (CW)

Rated LED Life: >50,000 hour

Power Source: 120-277VAC, 50/60Hz

Wiring: 3/4 inch NPT openings

Ambient Operating Temperature: -20°C to +60°C

Water and Dust Ingress Rating: IP66

Maintenance: Replaceable LED board and drivers

Mounting: Wall Surface, Pendant or Wall Arm Finish: Marine rated coated finish treatment Weight: 55 lbs

Optional emergency battery duration: 180-minutes

Exit Lettering Color: Red

Exit sign is edge-lit

Emergency lights are multi-direction adjustable
Housing has hinged door access
