Callan and Haley

We recently had our wedding at Rowlee and could not be happier! Thank you, thank you, thank you to the staff! Nicole and Kristen and the team were beyond accommodating from the start and on the day could honestly not have been more amazing! They coordinated all the catering and contacted each of our vendors in the lead up and made sure everything ran smoothly. We honestly didn't lift a finger on the day thanks to them!

The wine was fantastic and the grounds absolutely gorgeous. Every single guest commented on how magnificent the venue was, they loved the fire pits at night, and it was just the perfect vibe for our day that we will surely remember forever. Seriously, if you are looking for somewhere to hold your wedding, look no further! You need to choose Rowlee!
