

Most popular decor and size of

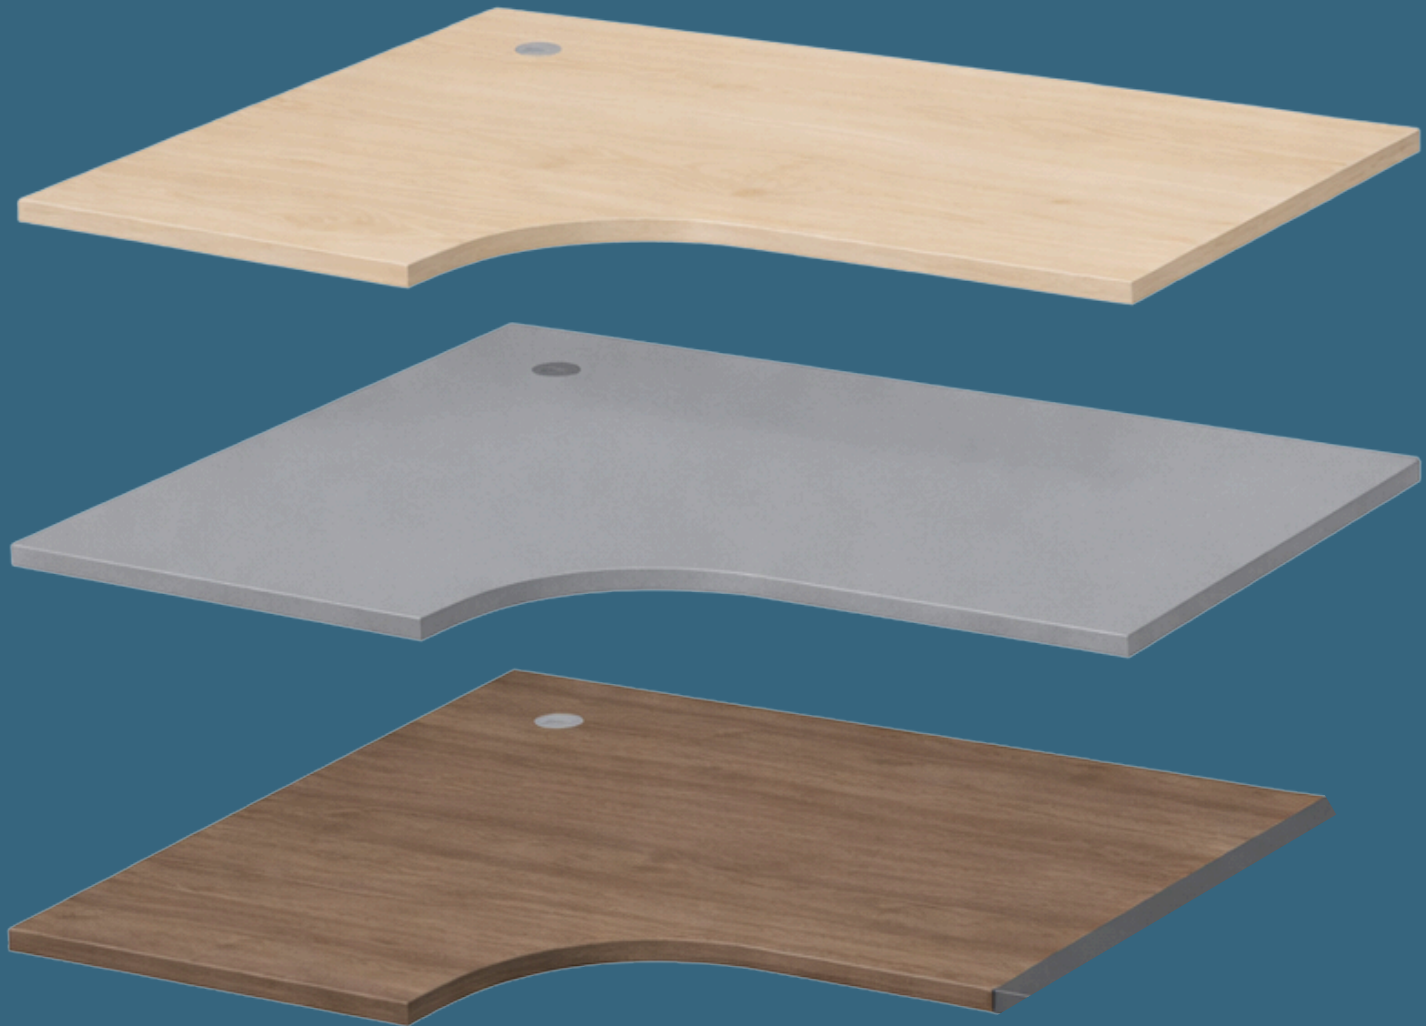

DESK TOPS

always in stock.

Based on market and B2B partner demand, Bdesk has created a permanent range of warehouse desk - tops. This means that the most popular decors and sizes are always available immediately.

Our desk - tops are designed for office, educational institution, and other public space projects where durability, compatibility, and delivery stability are important.

They are compatible with both fixed and electrically height - adjustable table frames and are also available in corner and cable channel solutions.
