GAMING U COMMUNITY CLASS

Join us for Gaming U, a fun and interactive class where strategy, critical thinking, and teamwork come to life! In this engaging program, students will learn how to play a variety of popular games such as chess, Uno, and Monopoly. Each session includes guided instruction on rules, game strategy, and fair play, followed by hands-on gameplay where students can apply what they've learned. Whether you're new to these games or looking to sharpen your skills, Gaming U offers a supportive environment to learn, connect, and have fun with friends.
