

LI STRIVE @ DANCE CENTRE OF
THE HAMPTONS PRESENTS:

OUR ART EXPLORATION COMMUNITY CLASS

In our Art Exploration class students will travel through time learning about influential art movements and legendary artists—from cave paintings and Renaissance masters to modern design and pop art. Each week includes guided sketching, hands-on drawing and painting projects, and space for students to develop their own unique style.

This class is perfect for artists who are curious about how art has shaped the world—and are excited to create some of their own! Each class includes:

- Weekly lessons on iconic artists and movements
- Sketching, drawing, and painting projects
- A opportunity to create a gallery presentation of work
